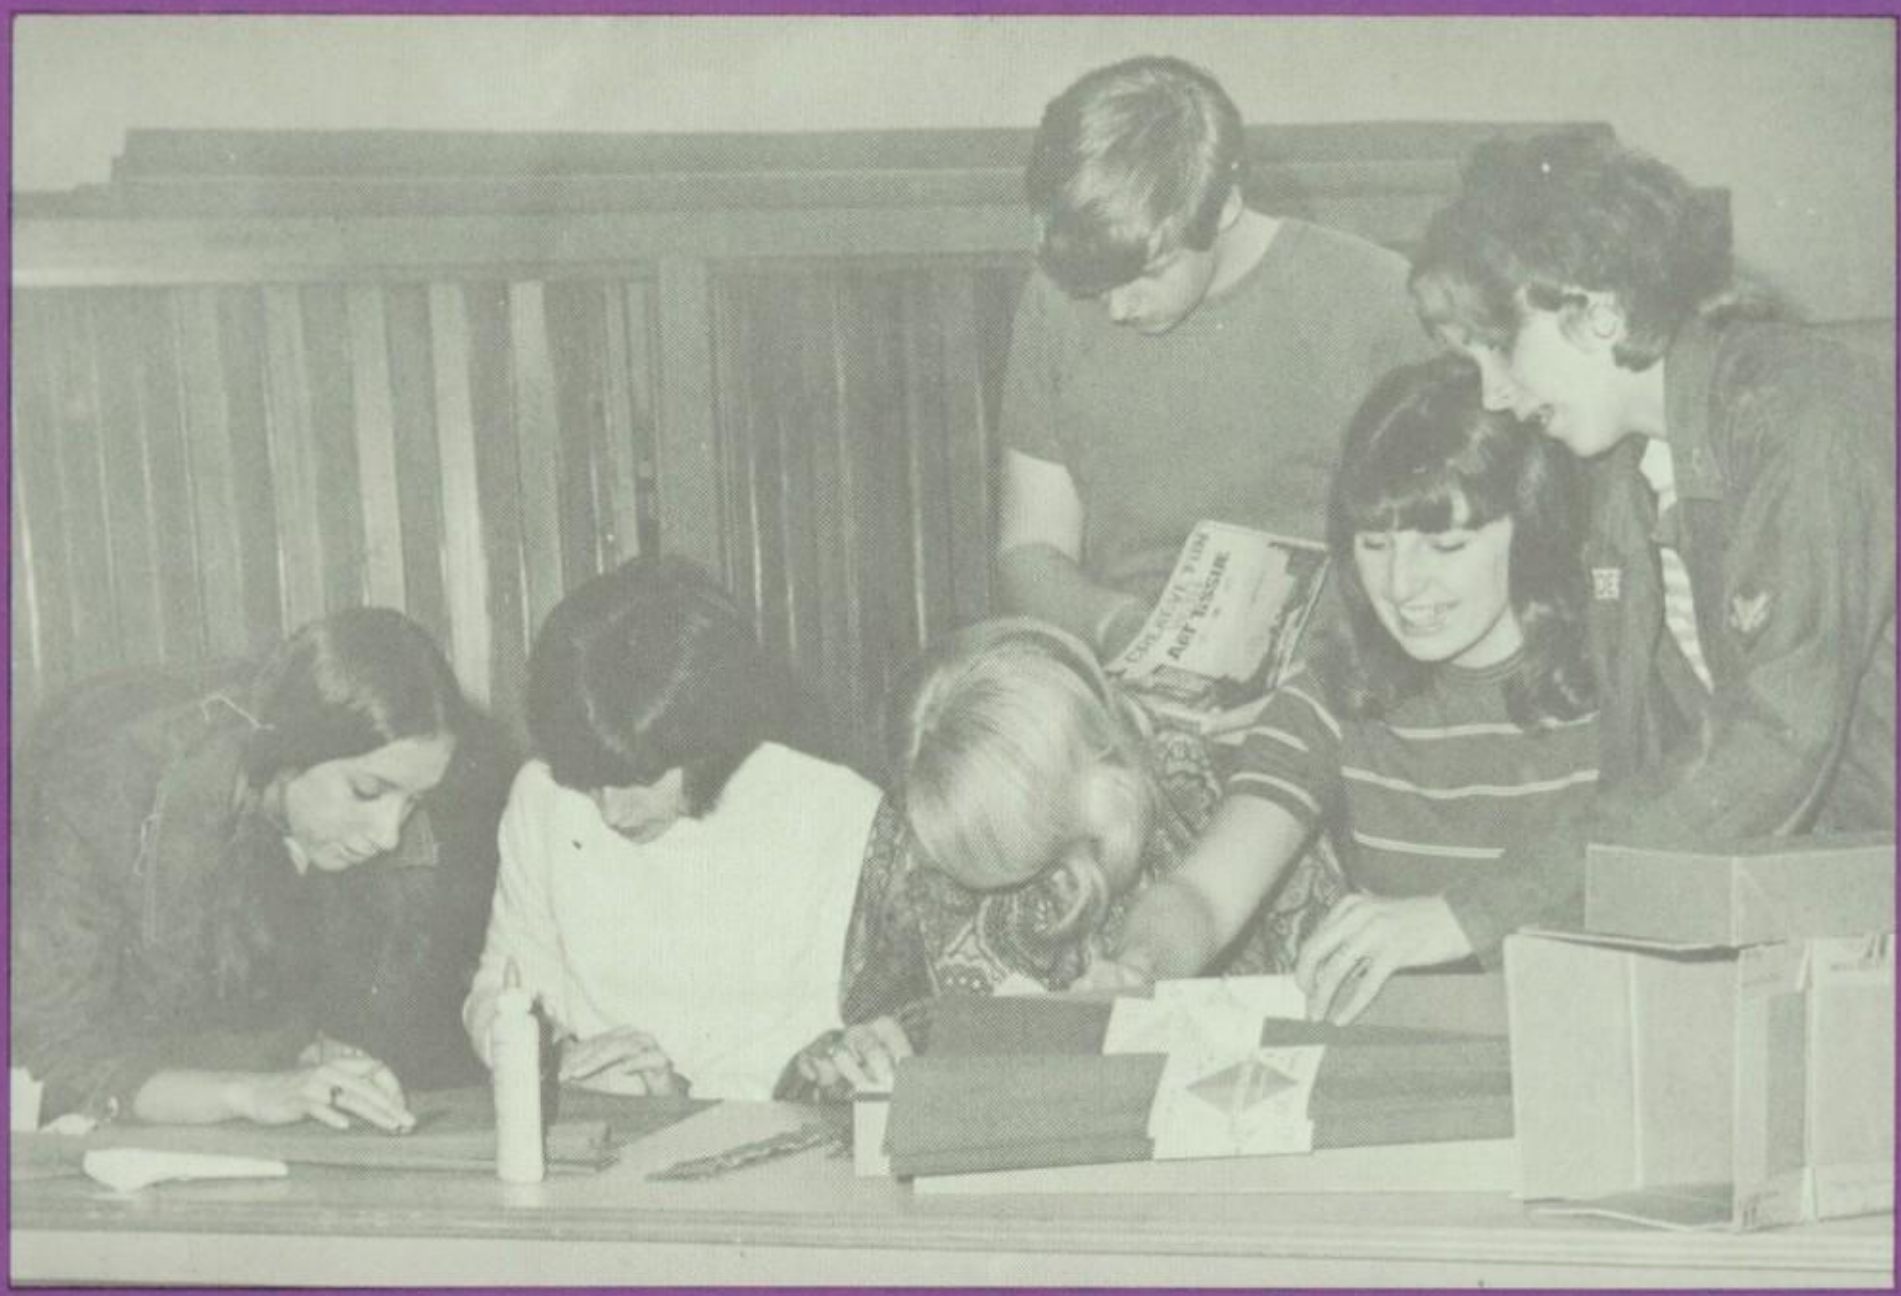
WE CAME, WE SAW,

WE CAME to the halls of Western.

WE'LL NEVER FORGET

We ran headlong into a fresh spring breeze.

We learned to be individual thinkers.

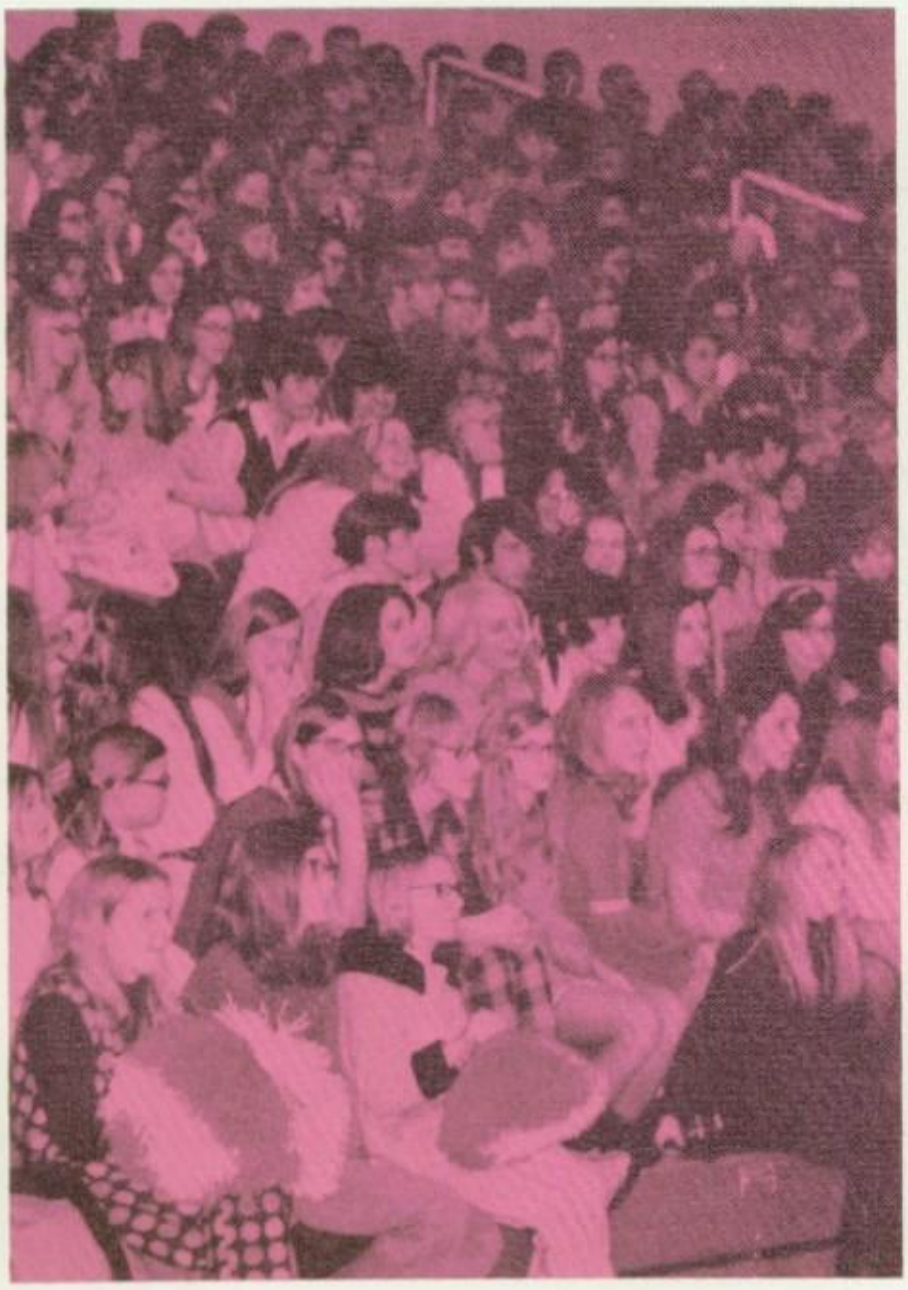


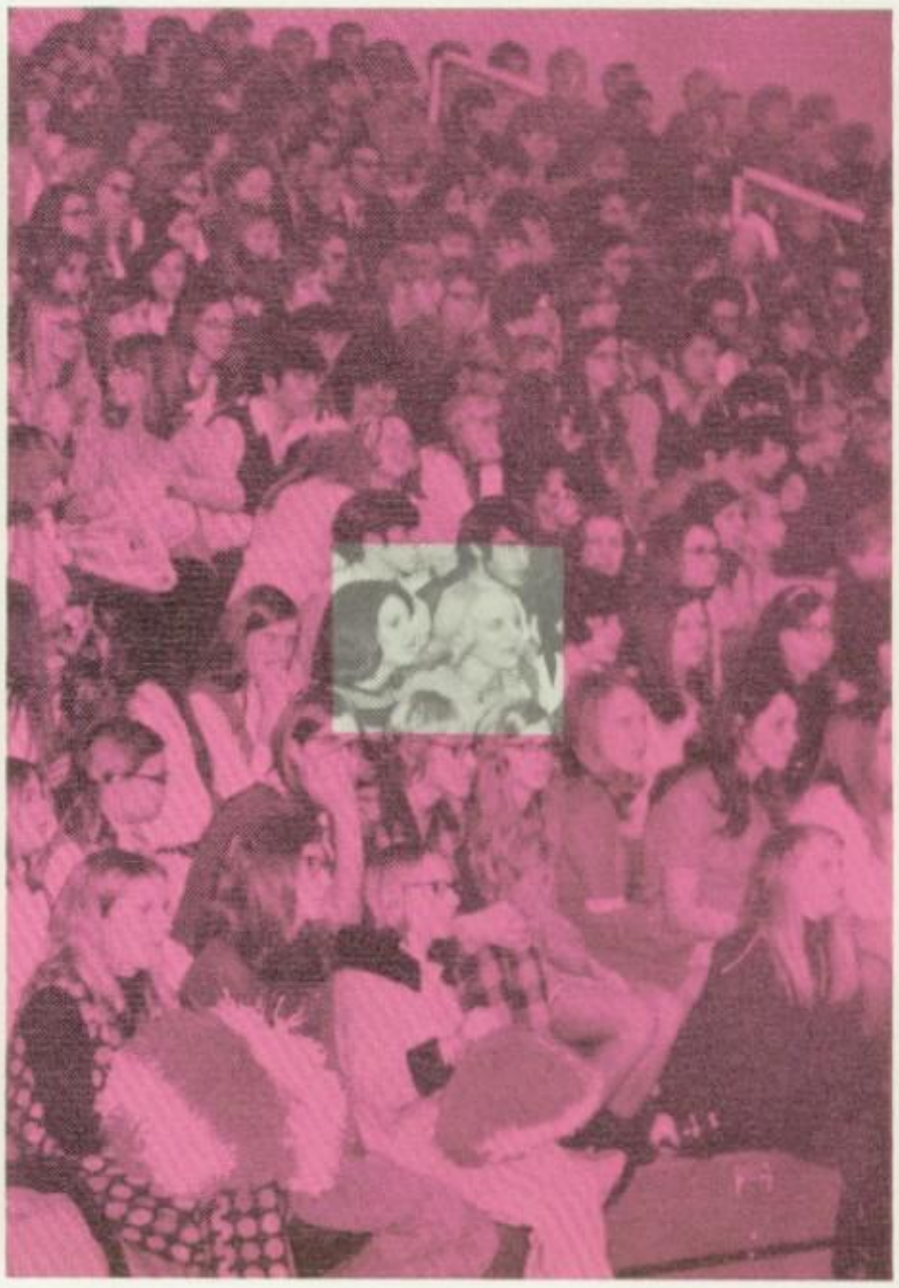
We developed the ability to work with a group for a common ideal.

We searched for the knowledge of God's Will for our lives.

WE SAW the beauty of growing up.

We realized how small yet how significant we are in God's World.





We faced the reality that surrounds us.

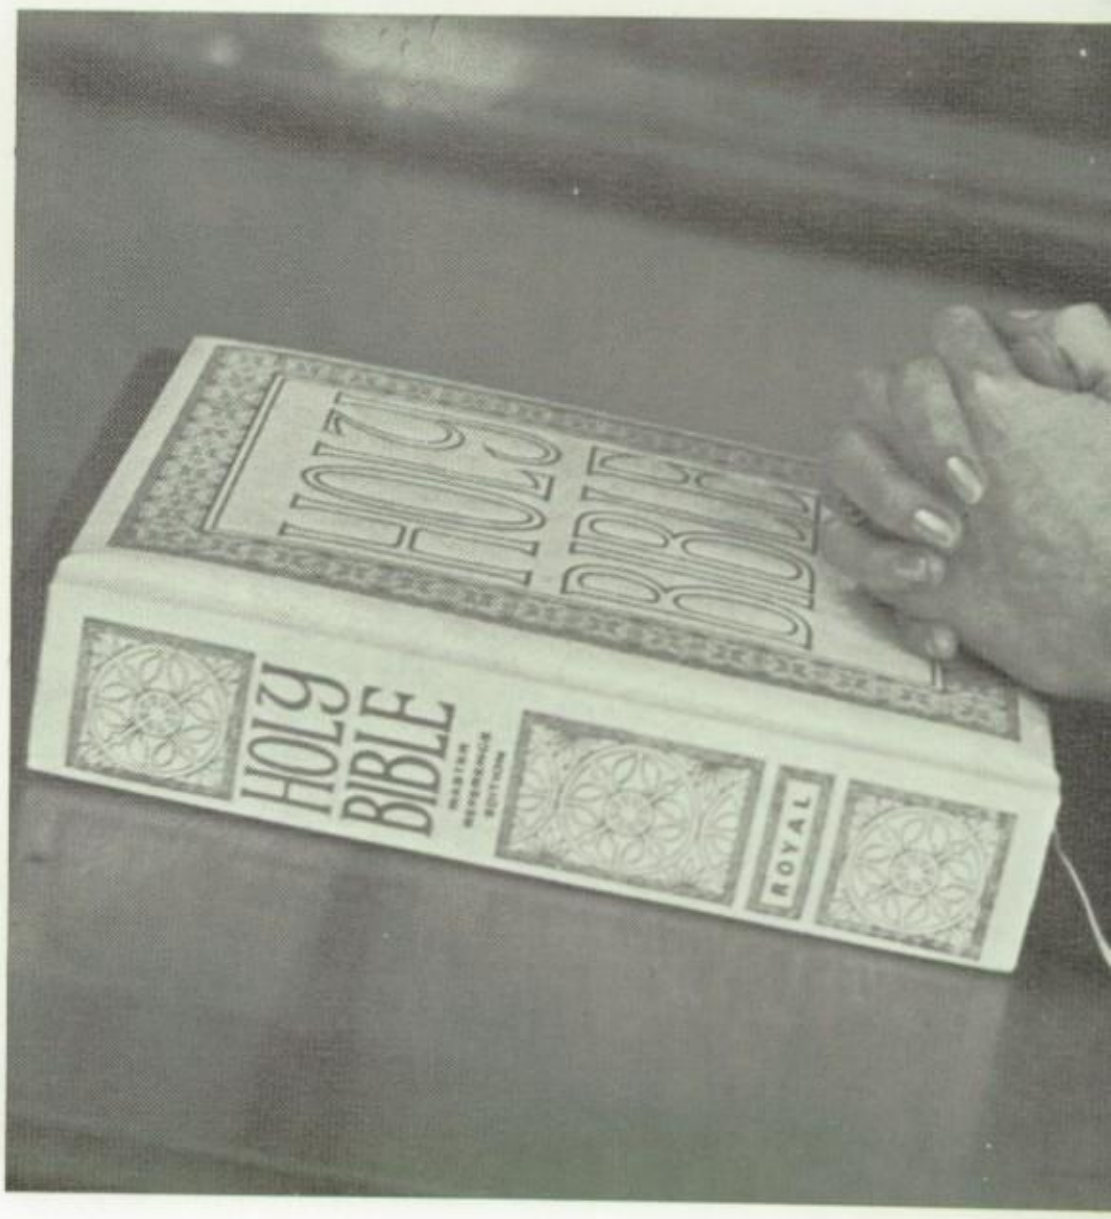
We became involved in what is happening now.

The Des Moines Register
MAO HINTS BETTER U.S. TIES
Nixon Confers With Red Leader on Visit to China
'Frank' Opening For Summit

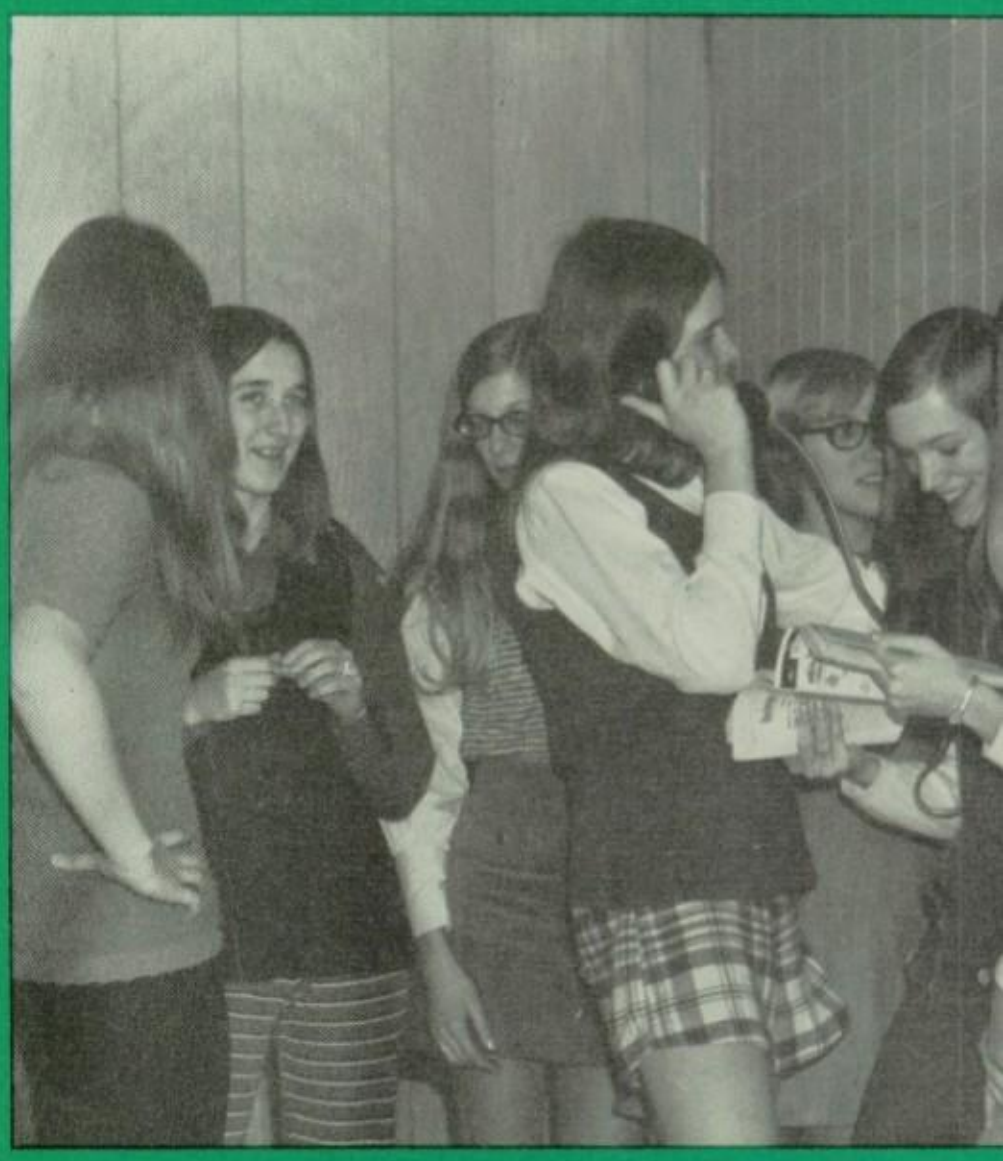
We realized

we didn't have

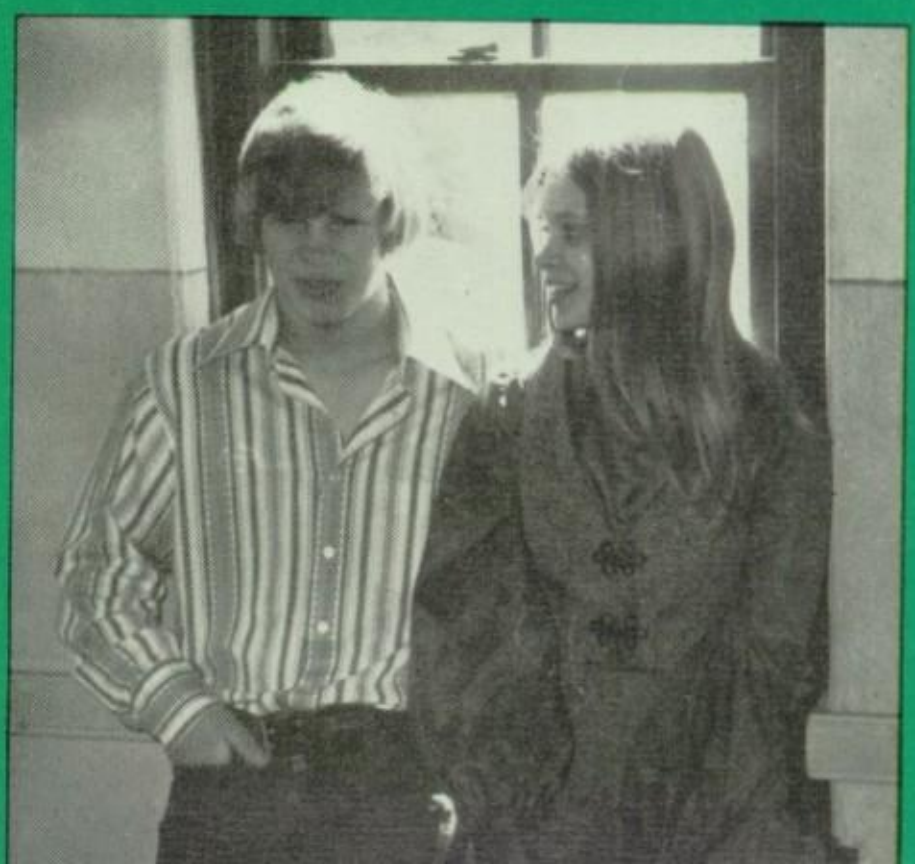
all the answers.

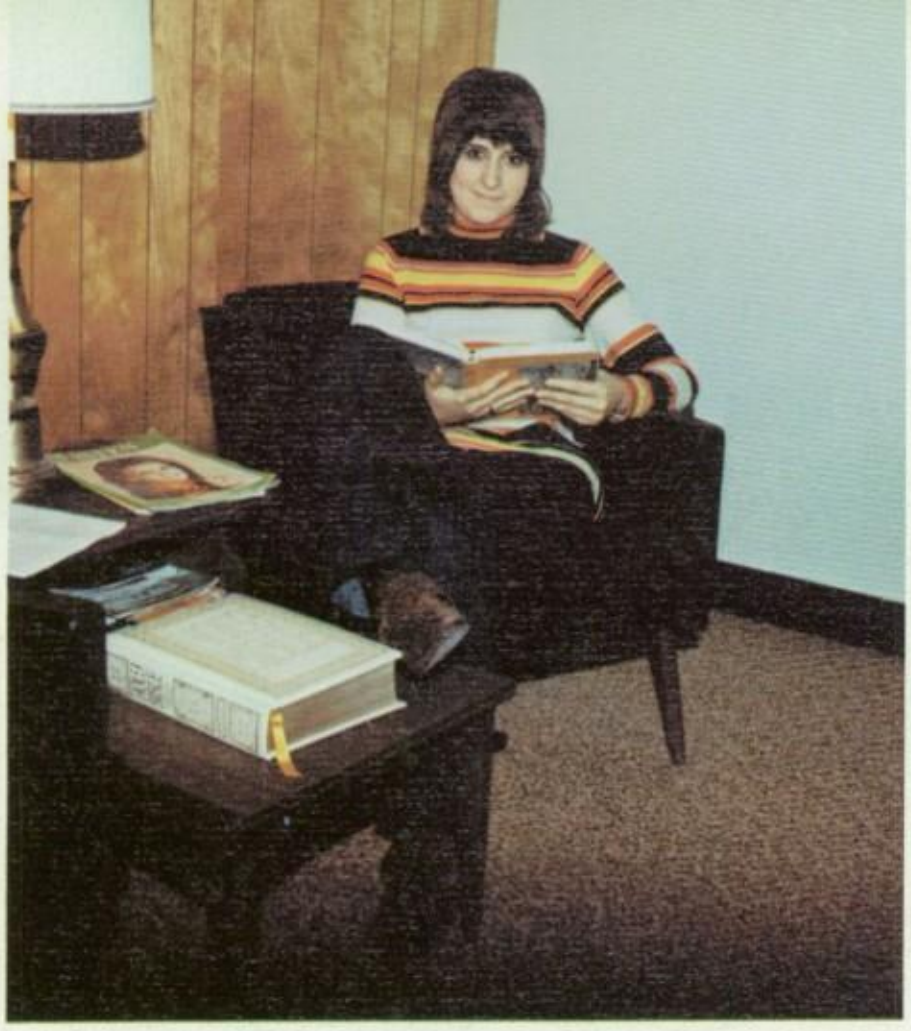


WE WILL NEVER FORGET the friend ships made.



We'll always remember those exciting games and first dates.





We will always
remember those long
nights of studying.

We become aware of
our reliance on God.

We will treasure
the past, if it was
to God's glory,
and never forget it.

SPECIAL EVENTS

Homecoming, Banquet, and Graduation are big events that are always anticipated. They take lots of careful planning and hard work, but go by very quickly. Yet these are times that are always remembered and are a very special part of growing up and going through high school.

"It's the Real Thing"

The royalty awaits congratulations.

The climax of weeks of planning came on January 28, 1972. Homecoming started with several songs sung by the "New Life Singers" and audience singing. Rev. Hulst presented the chapel speech. Other morning activities were the class and faculty skits. The M.C.s, Dan Dykstra and Mr. Ribbens, added to the comedy. Just before dinner the Royalty was presented. This was a big surprise to everyone as nobody knows who the Chief and Princess are until the very last minute. The candidates were chosen differently this year. The whole student body gave nominations and then voted for 3 from the top 6 candidates. The excitement was delayed because the flowers were late in arriving, but the "New Life Singers" did a great job of filling in the time. Soon the 1st and 2nd attendants were announced and Mark Sybesma, last year's Homecoming Chief, crowned Jer De Wit and Cella Cleveringa, last year's 1st attendant, crowned Princess Lora Koele. The audience's shouting and applause showed that everyone was happy about the results. The afternoon brought many laughs with several skits at a Pep Rally. The billborads were judge, cheerleaders led many cheers, and of course, the battle cry. All of these activities brought about one of Western's Best Homecomings.

Chief Jer De Wit and Princess Lora Koele

First attendants Rick Kreykes and Pam Horstman

Second attendants Dave De Wit and Melody Olivier

Princess Lora Koele—Chief Jer De Wit

Crowning of Jer and Lora highlighted the day.

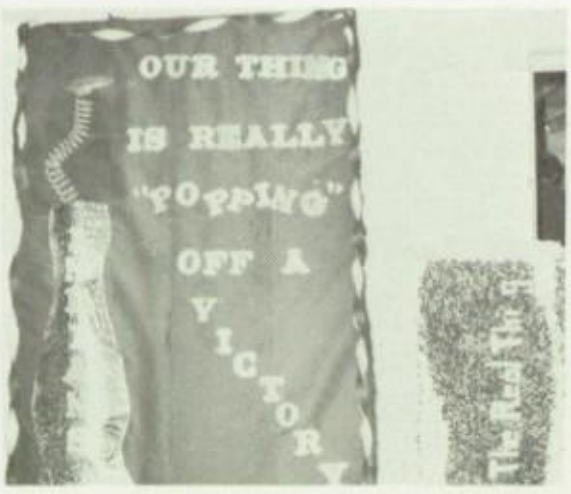
Music was provided by the "New Life Singers."

Candidates for Royalty: Carla Runia, Doug Vande Griend, Karen Jonker, Dave De Wit, Pam Horstman, Rick Kreykes, Melody Olivier, Jer De Wit, Deb Engelsman, Gene Addink, Lora Koele, Glen Vander Well

All Helped Make the Day a Success

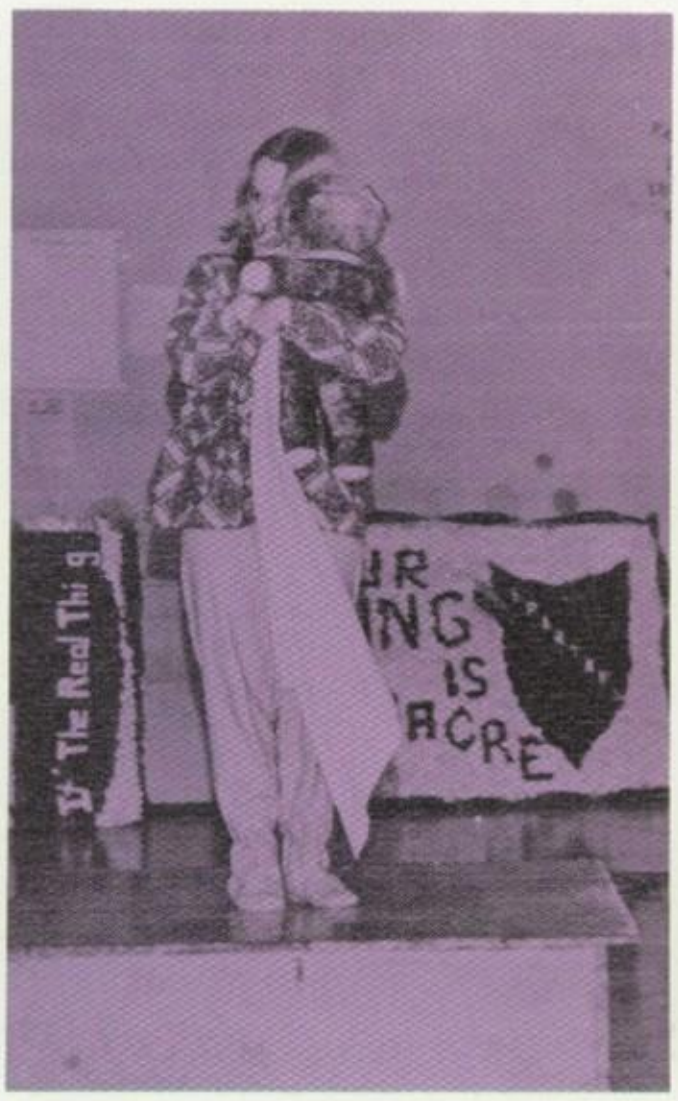
Special cheerleader for the day was Mr. Bird.

The speaker for the day was Rev. J. B. Hulst; his message: "A Letter to Libby."



Sophomores - 1st prize.
Juniors - 2nd prize.

Sandy V. K. pushes baby Jer D. W.



Lora K. hugs her teddy.

Judy P. marries Glenda M.

Don't look so worried Dan. We know you can do it.

The basketball game was a great victory over Grandville Spalding. The score for the B-Team was 56-45 and the score for the A-Team was 67-55.

Drill team's best performance added to the fun.

A Victory Completed the Happiness

The Seniors yelled their loudest for a victory.

Junior's Toil, Time and Talent

At the Junior - Senior Banquet, "everything was beautiful." A stroll over a long bridge in the moonlight and a walk in the sand led you to the punch bowl. From here you walked up to the stage which was the most beautiful, outstanding attraction of the banquet. Water spouting from a fountain, flowers, trees, love seats, and changing colored lights all added to the garden scene. The spring pastel colors decorated on the tables and worn by the waiters and waitresses made the atmosphere were very cheerful. The meal was something special: Swiss steak, creamed potatoes, corn, jello, and ice cream balls for desert. Loren Klomp sang a solo and Mr. Veltkamp and Mr. Feenstra gave a humorous musical number. After an intermission, Ardell De Berg and Joel Jensen kept the crowd's attention by singing several popular songs. Everyone enjoyed a "beautiful" evening.

May 26, 1972 was a very special day for 123 graduating Seniors. It meant leaving all the happy high school days behind and looking forward to the years that lay ahead. The Seniors would like to thank all the concerned teachers and parents who have trained us so that we can now pray, "Lord make me an instrument of thy peace."

Seniors Graduate With Mixed Emotions

Seniors look forward to the years that lay ahead. What will they hold?

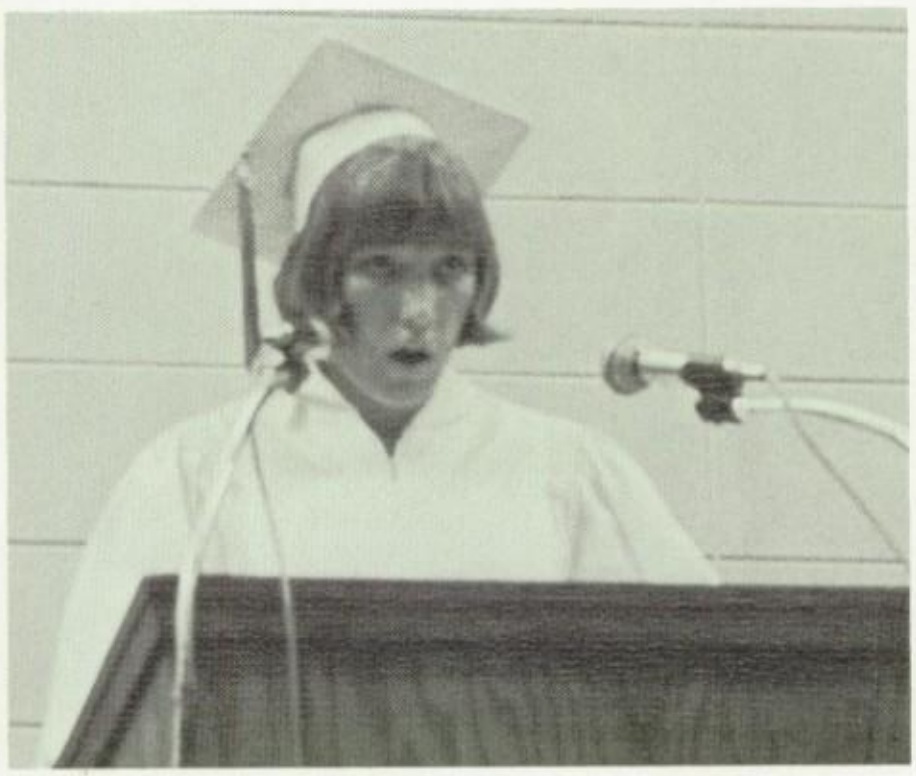
The speaker for the evening was Rev. B.J. Haan.



ABOVE: Outside in the rain, there are many kisses and tears and yet much happiness and relief.
LEFT: Although Jan V.O. had a few problems with her hat, she presented the audience with an excellent speech.

Seniors Have a Great Skip Day at Minneapolis

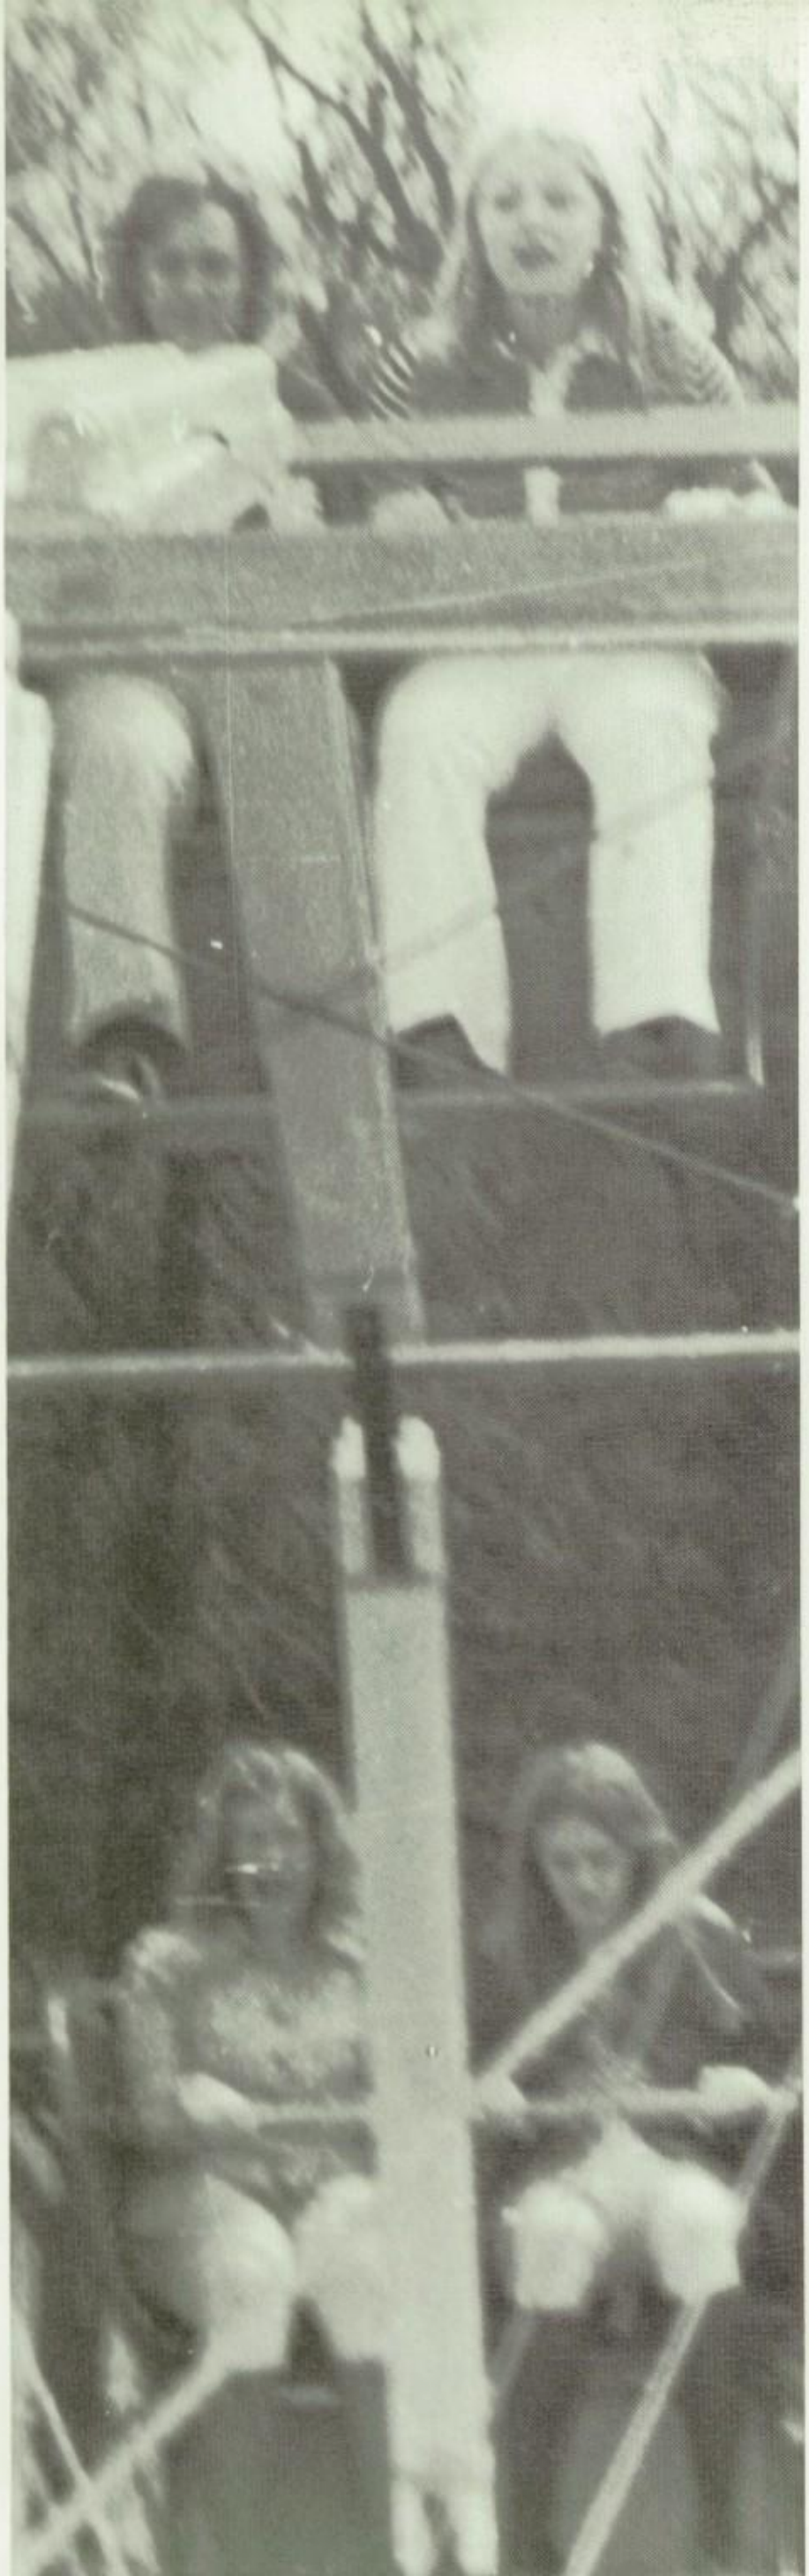
Melinda and Carol enjoy the sights from on top of the Ferris Wheel.

Even the long bus ride was fun.

Senior guys go down to get a closer look at the Falls.

It was 6:00 a.m. when 120 excited Seniors left for Minneapolis. After 2 hours of riding we stopped for breakfast. Other stops included Southdale Shopping Center, Betty Crocker Mills, Como Park, and Minnehaha Falls. After supper, we headed for the Twins Game. It lasted for 21 innings but we were called to our busses after the 17th. We stopped at Mankato for a "midnight snack" and arrived home tired, but happy at 4:00.

Several intelligent Seniors feed the animals the Potatoe Buds they received from Betty Crocker.
RIGHT: The Seniors patiently wait for the girls who got lost in the Shopping Center.



ABOVE: Seniors enjoy a delicious supper at the Sveden House.
LEFT: Even a Ferris Wheel ride can be terrifying to some girls.
BELOW: Even the guys are thrilled to receive a package of Potatoe Buds from Betty Crocker.

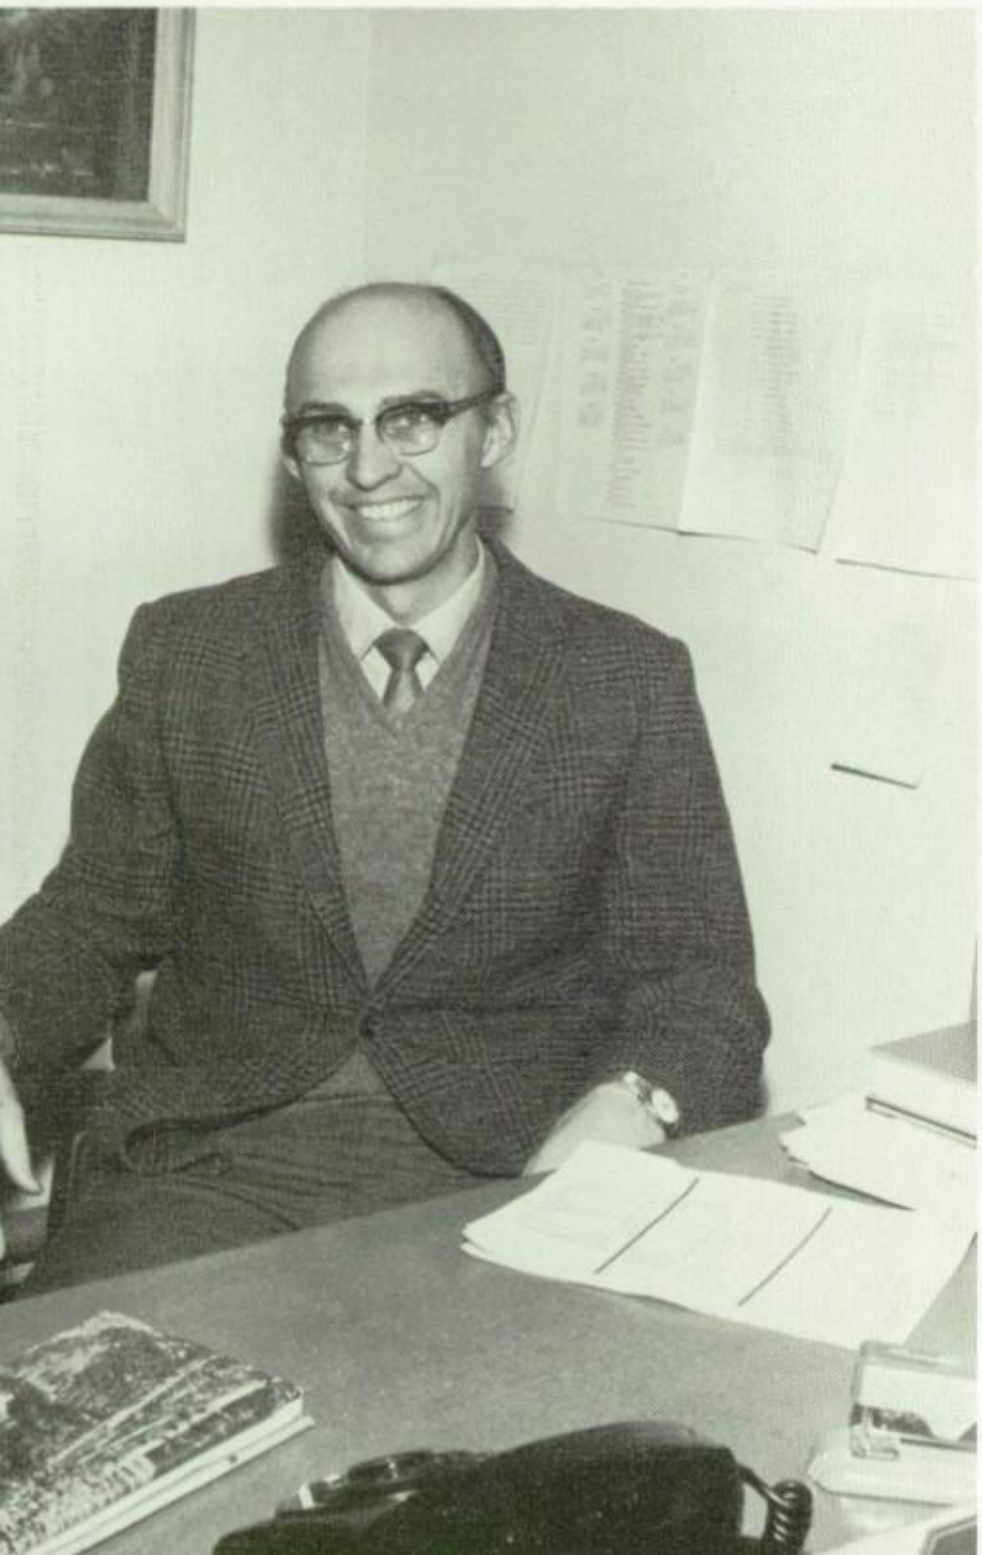
Principal

This was Mr. John L. De Groot's second year at Western. His friendly smile and cooperation was appreciated by everyone. His work was somewhat lessened this year, due to our new assistant principal.



Assistant

Principal

This was the first year Western has had an assistant principal. Mr. Molendyke was previously a Science and Math. teacher at Dakota Chr. High and the Principal at Kanawha Chr. Grade School. He now teaches Gen. Bus. and takes care of most of the discipline.

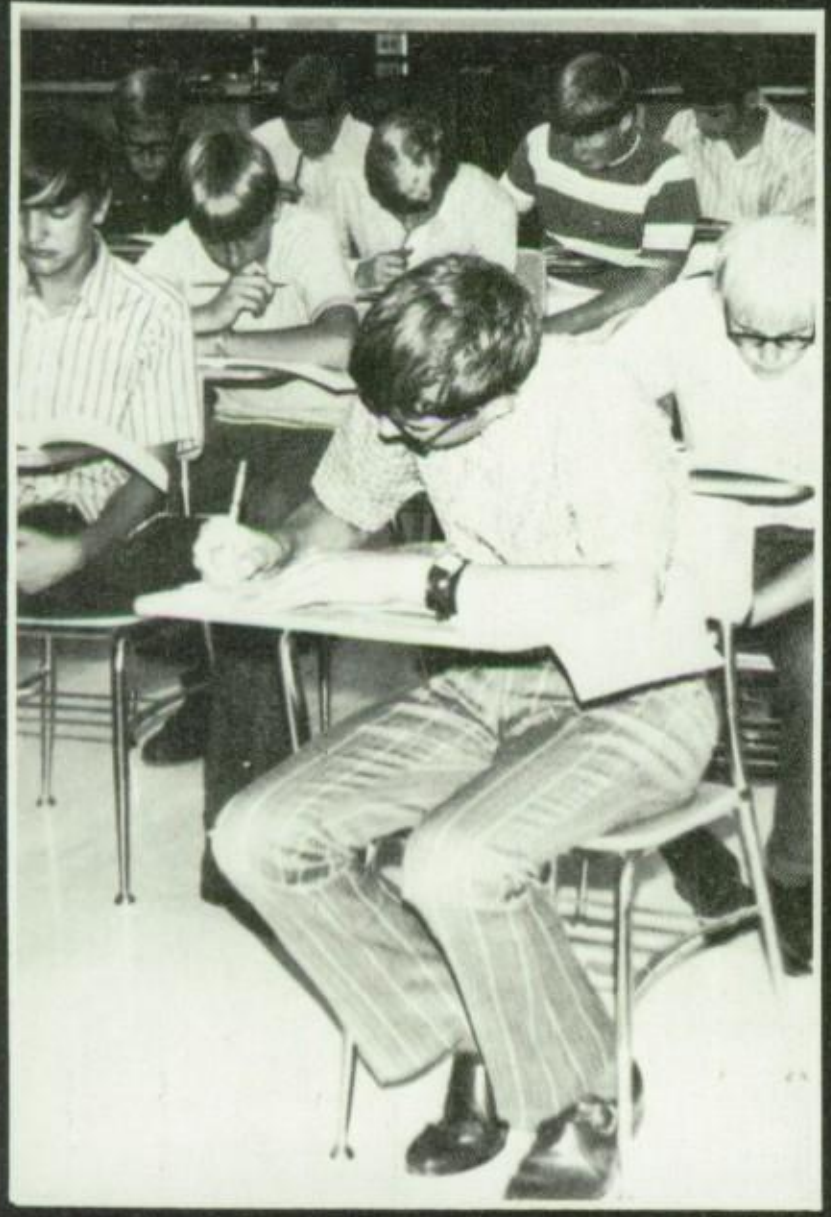
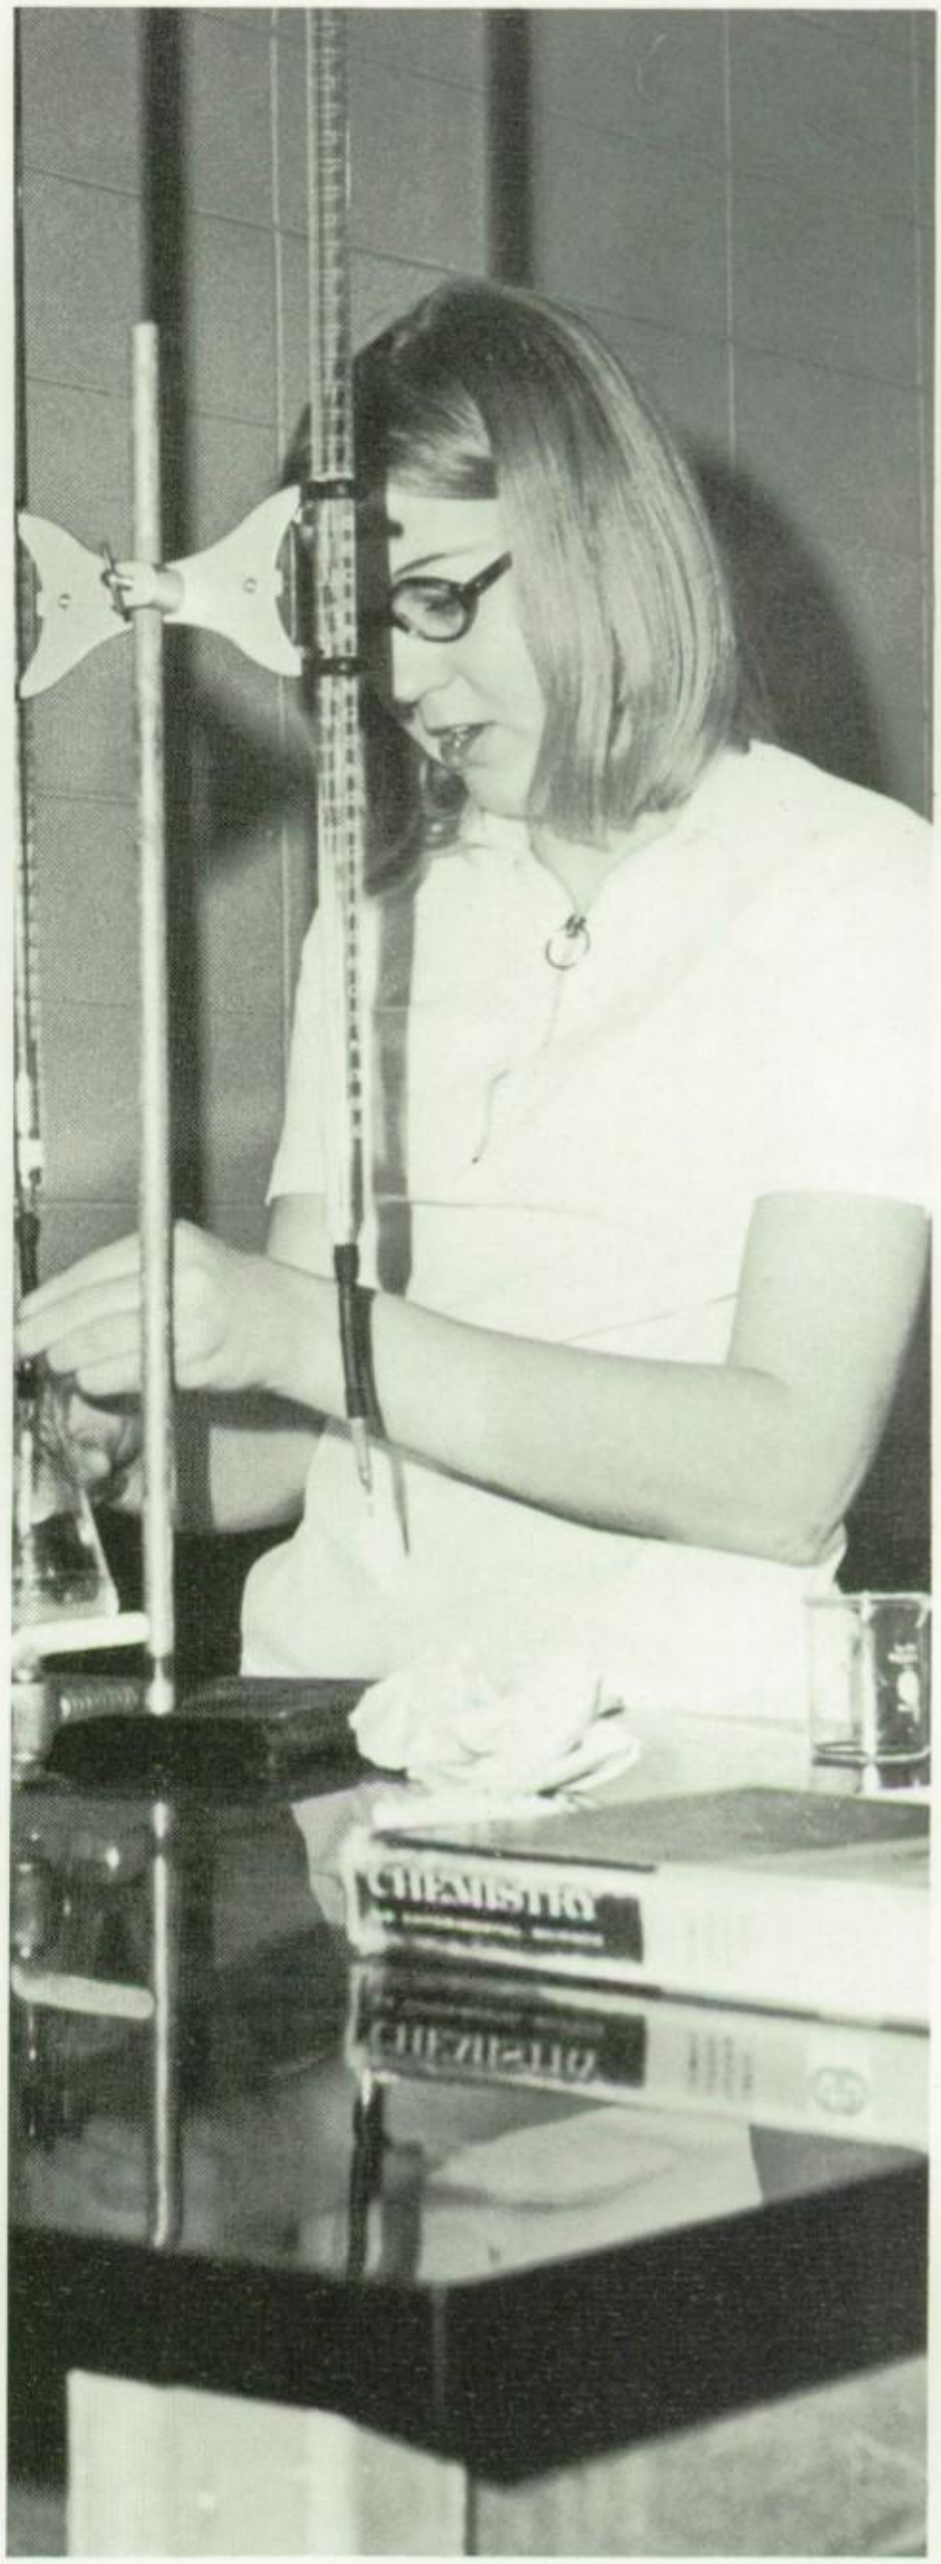
ACA-DEMICS

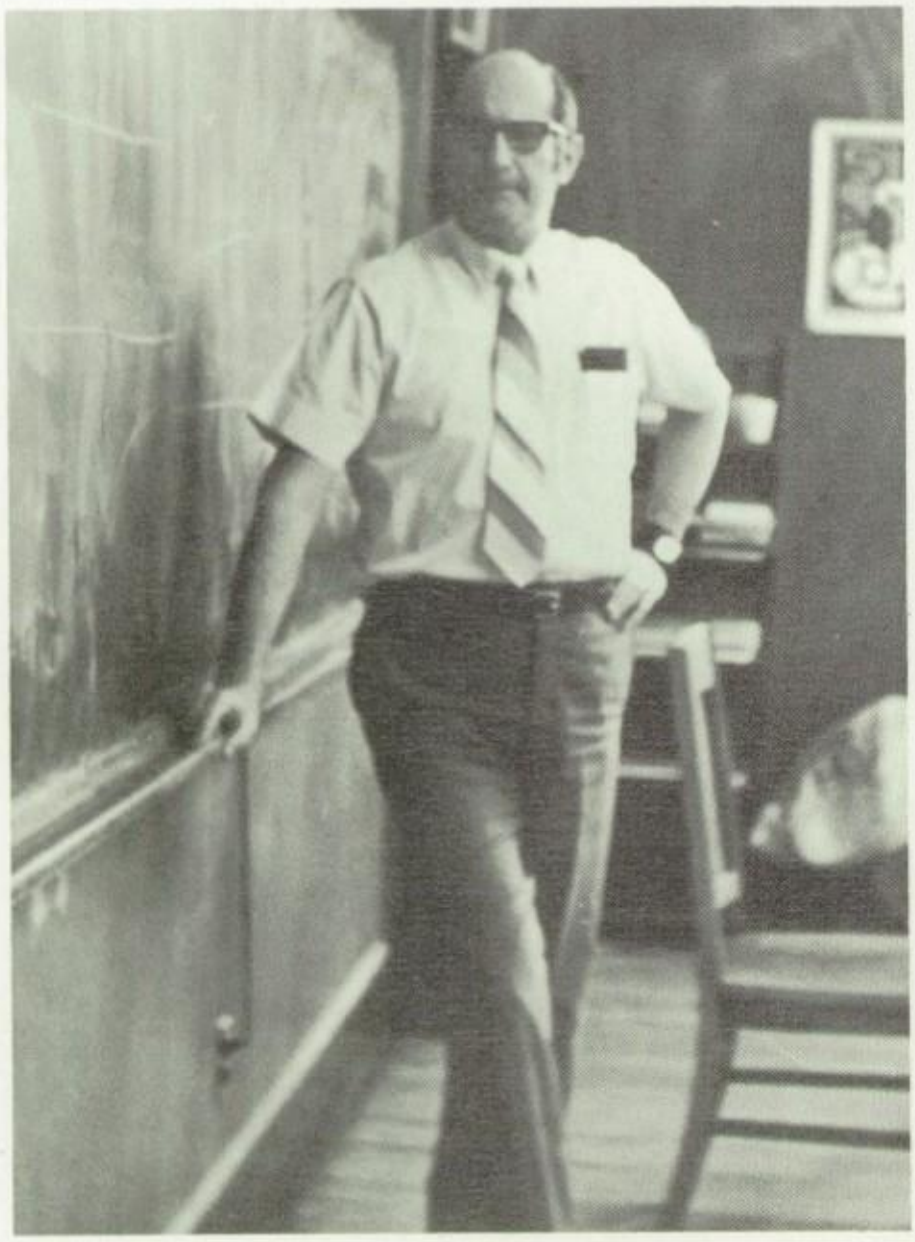
Reading books, writing papers, and taking tests are all part of a student's busy schedule. Some subjects interest certain students more then others do, But all are important in God's World. We must thank God for our ability to learn and study to "show ourselves approved unto God".





Bible—"Thy Word Is a Lamp Unto My Feet"

To study God's Word daily is very important in a Christian's life. The Fresh. study the background of the N. T. period and the Soph. trace the development of Israel and make the O. T. applicable to their lives. The Juniors study the Church History and the Sr. study the Ref. views in comparison to other religion's ideas. Students learn to share their faith and take a stand on the principles they believe to be true.



"Get this point down kids."

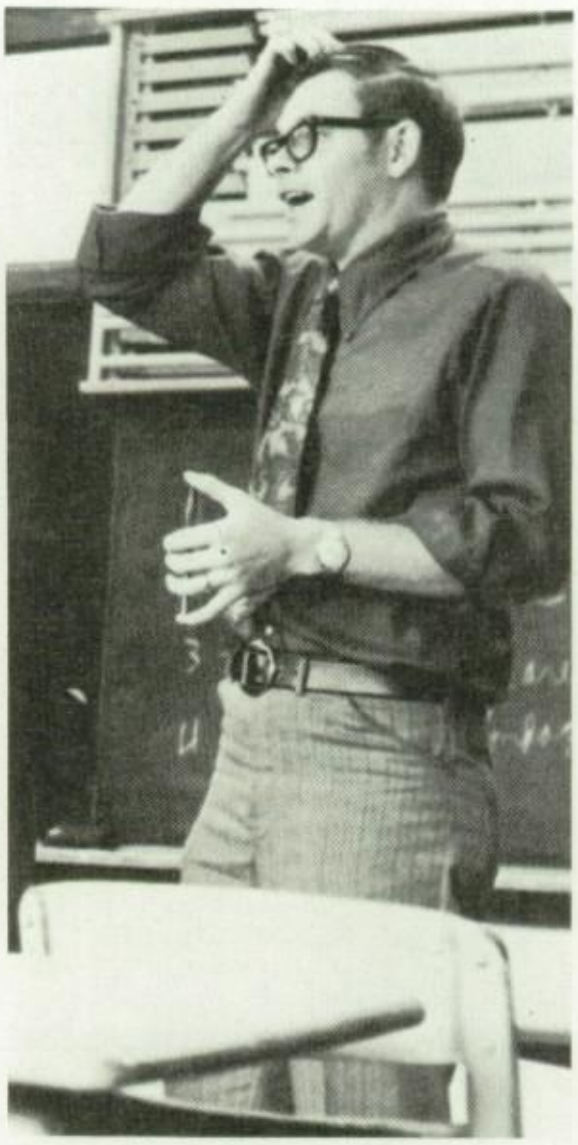
Hey Sandy did you forget your glasses again?

Preparation takes time for teachers as well as students.

Everybody's studying . . . except Daris.

Showing off, Val?

"Our goal in Speech class is to make you feel free in front of class and communicate in your own way!"



New English Program Proves to Be More Interesting

This year a brand new English program was set up. This system allows the student to select the courses which he feels will be helpful for him and the course which will be at his own academic interest level. At least two of the courses must be selected since they are only offered for one semester. Several of the new courses are Modern Communications, Thematic Literature and Literary Experiences.

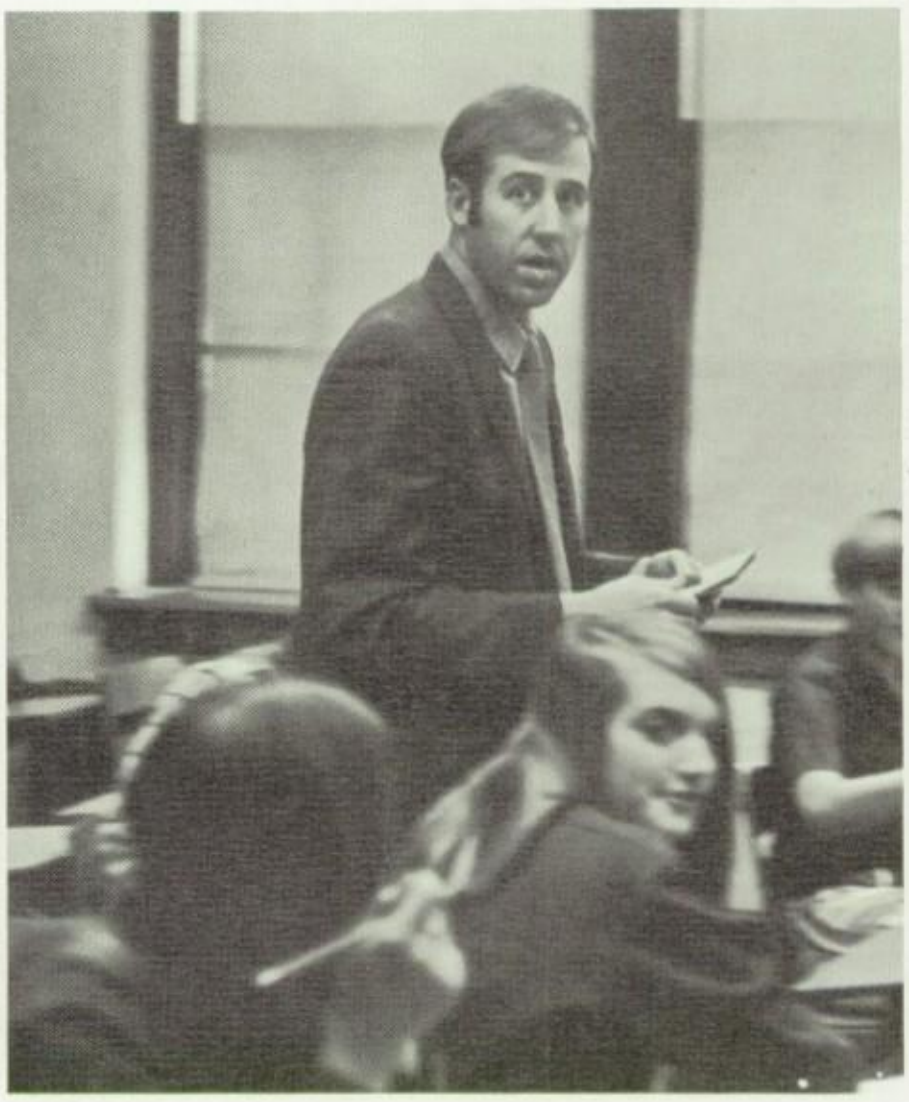
Mr. Van Abbema wonders how many students became involved in the story they were to read.

In Mod. Comm. class, Mr. Veltkamp describes the different techniques used on TV.

Speech class learns how to act.

"Who threw that airplane?"

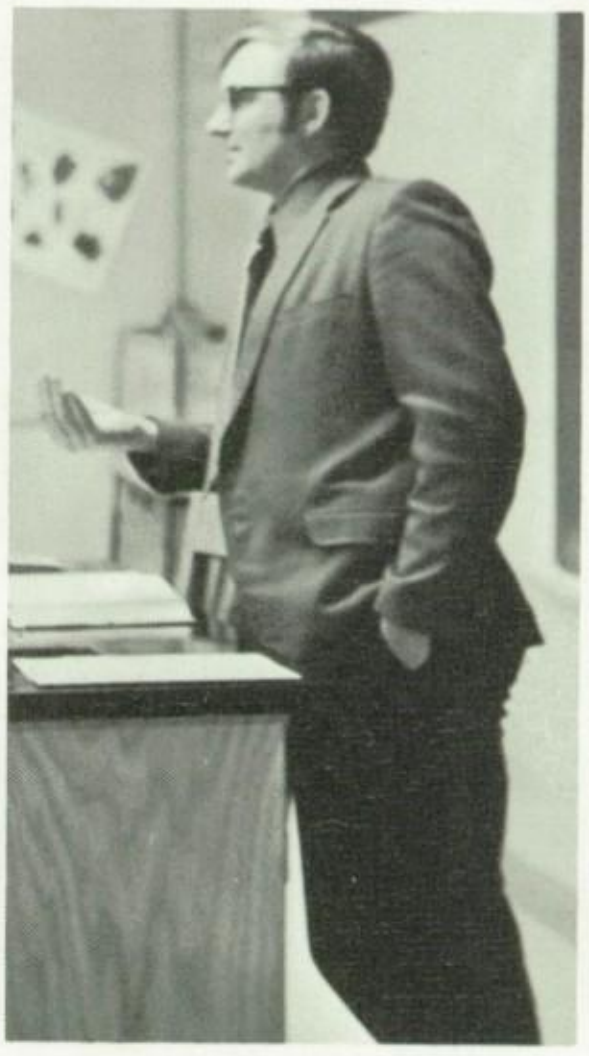
Mr. Senti checks who finished their homework.



Science Opens to New Insights

"Don't blame me. I didn't make those long names."

"Did you know that your heart is as big as your hand?"



In dissecting a frog, first it must be opened in the right place.

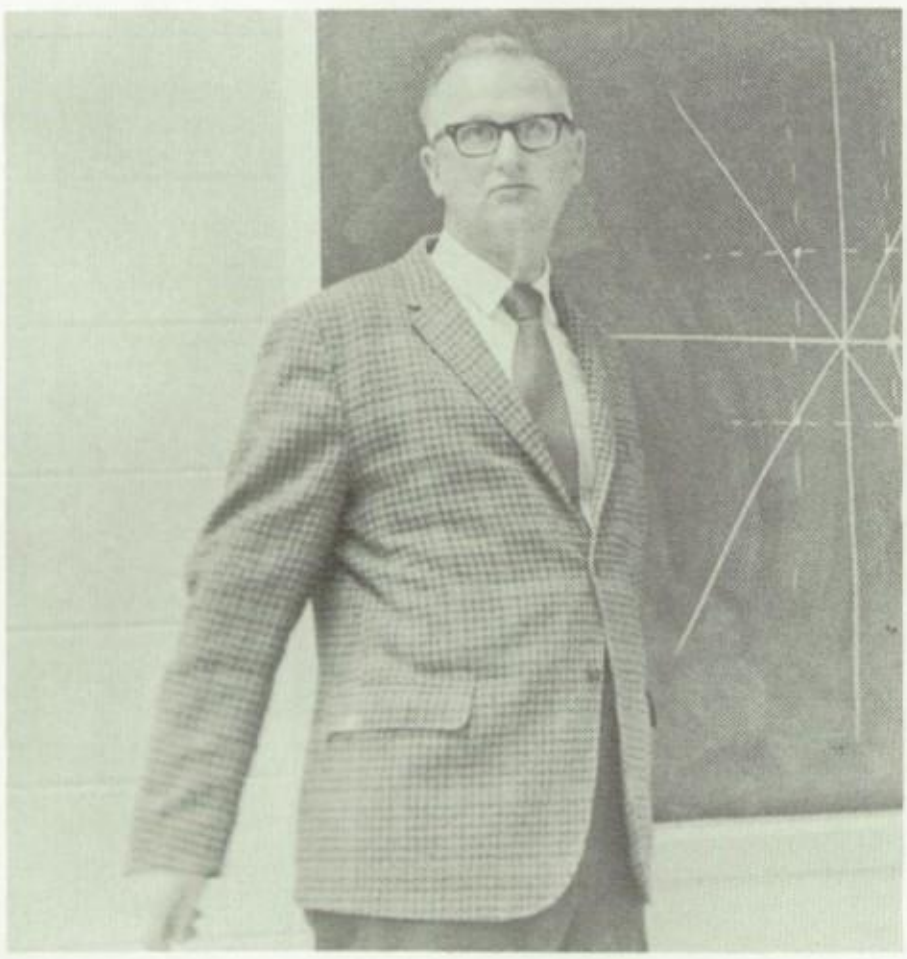
Then the insides are pointed out and studied.

As the achievements of man in space become more advanced, the study of God's creation becomes more complex. The study of light, plants, atoms, chemical reactions, the human body and the universe all reveal how great God is.

Difficult Chemistry experiments take time and patience.

"Then, you square A and take it times the quantity B + C."

Facts and Figures Present a Challenge

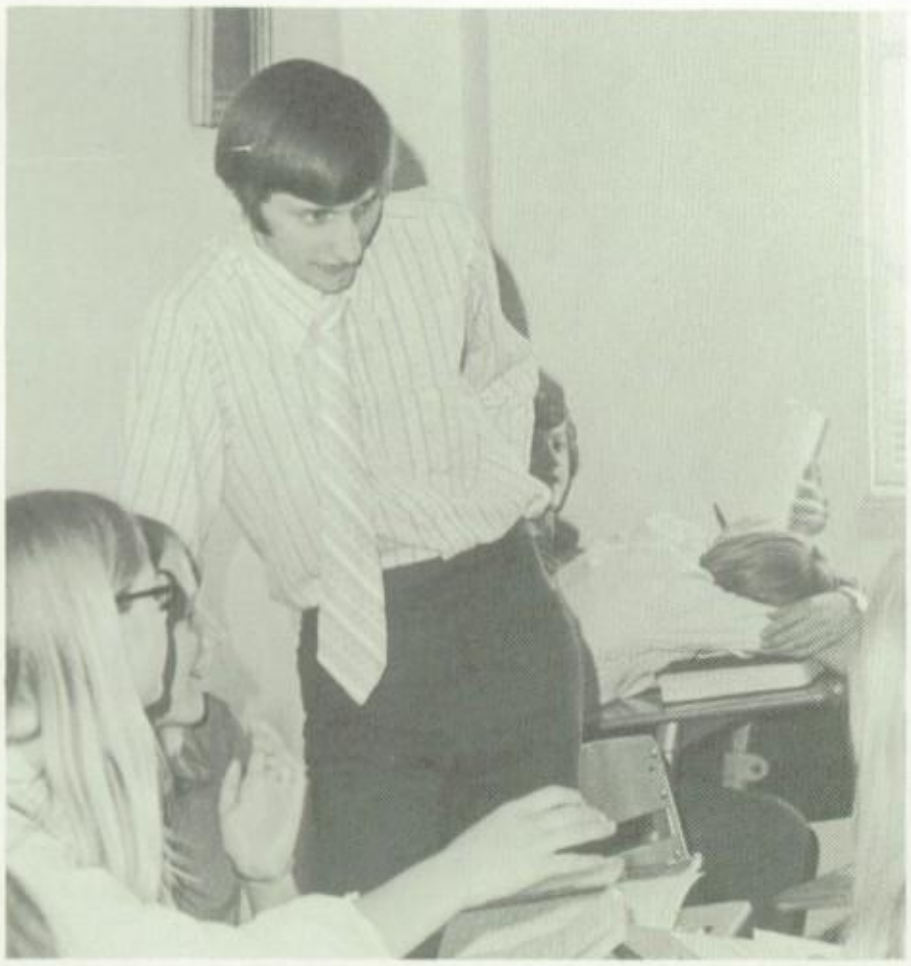


"How did that kid with a camera get in here?"

Mr. Ribbens shows the girls how to find the answer.

Math. is a very challenging subject to many students. This year, many of the classes were taken at the students own place and each worked individually in the classroom. The theorems, proofs, sine laws, and quadratic equations may all be forgotten within a short time but the experience of thinking and reasoning our problems will never be erased from the memory.

Social Studies: Learning More About the World Around Us

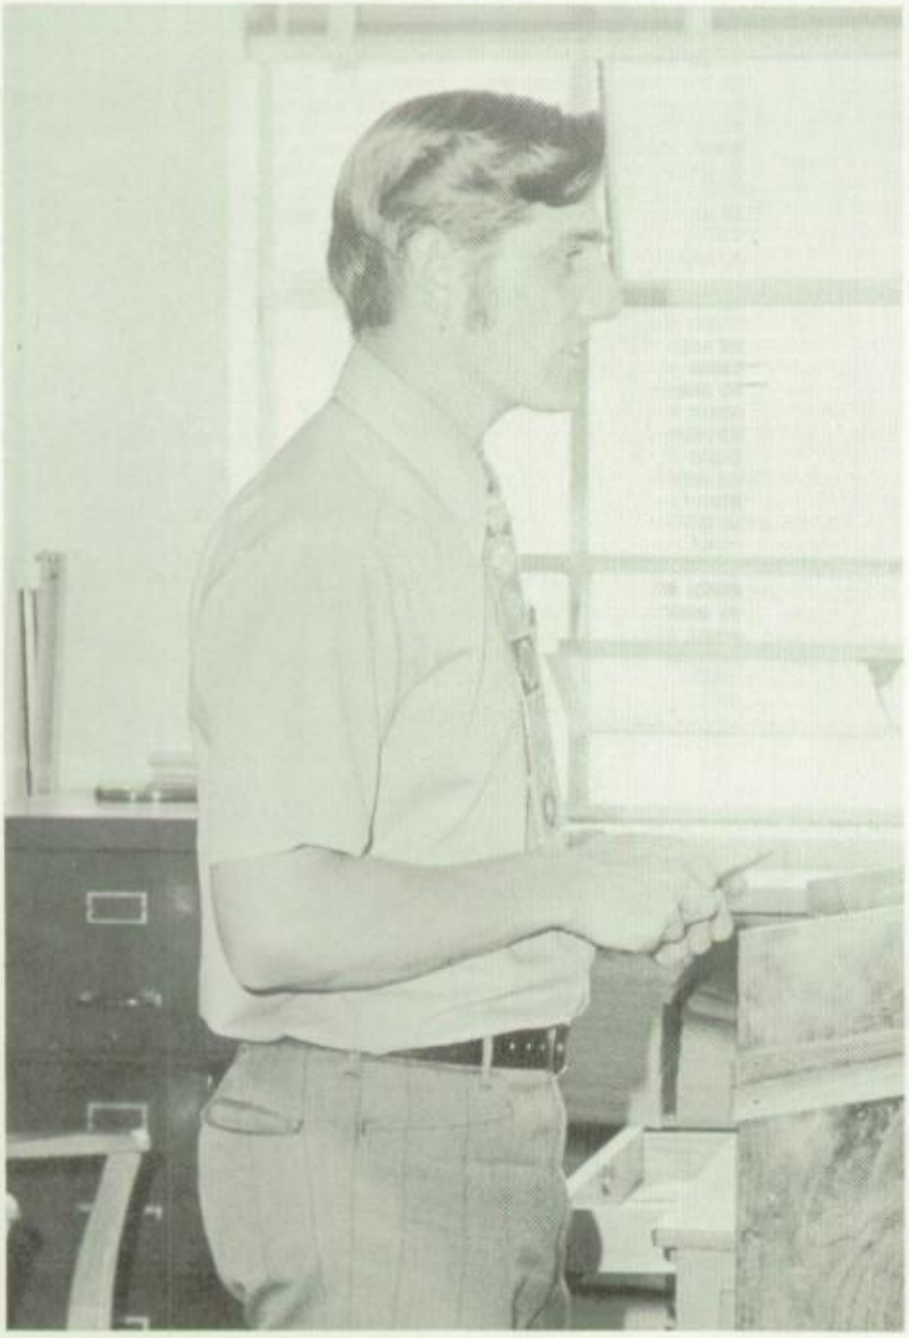


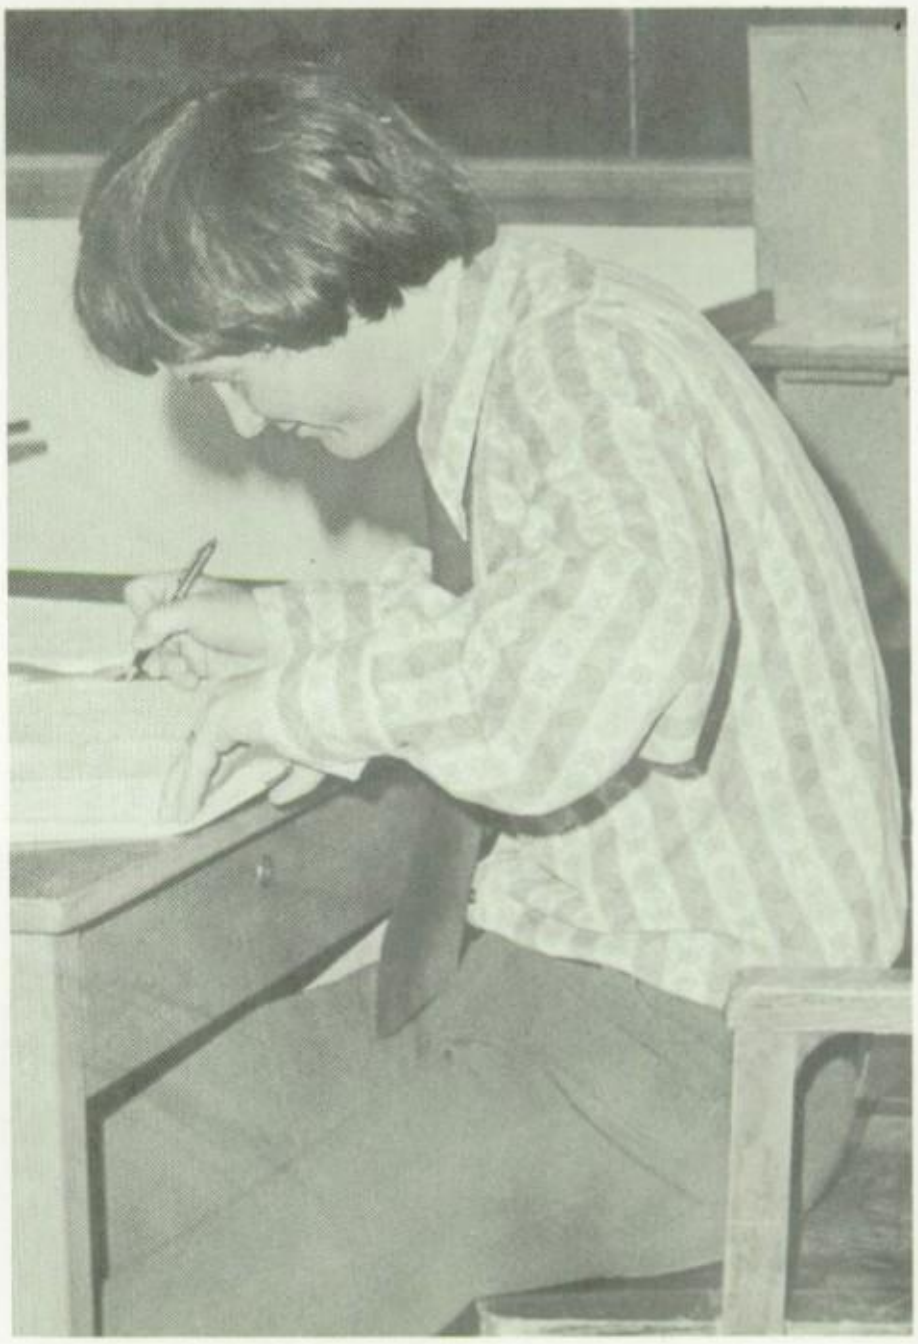
Mr. Vanden Bosch, do you see that kid sleeping behind you?

Mr. Vis wonders how many kids listened to the Election results last night?

The many different types of History offered at Western give attention to the problems that man has faced up to the present day. Past experiences are applied to our world of today to help us appreciate the freedoms we as a nation should cherish. The student is also taught the responsibilities he holds as a citizen of the United States.

Mr. Schelhaas prepares another one of those "impossible" tests.





German students discuss the latest gossip in ther German language.

German-a Fun, but Challenging Subject

When the teacher leaves, Freshmen will try anything.

Sociology

Mr. Van Sloten is easy to get along with.

Mrs. De Jong explains how to do that difficult work sheet.

German is the only foreign language offered at Western. The student learns to speak the language and also studies the fundamentals of German grammar.

Sociology is a course designed to make the students aware of various social problems and possible solutions along with being stimulated to act.

"Hurry! Hurry! But no mistakes!" Typing takes lots of practice, patience, accuracy and speed just like Bookkeeping demands lots of time, neatness and exactness in figuring. Office Practice is very helpful for those students who wish to go into office work as a career. Shorthand and General Business are also courses offered in the Business Department.

Wanda V.E. knows that practice is the only possible solution.

Business Is Important No Matter What Career Is Ahead

Mr. Westra makes everyone nervous by watching over their backs.

Mr. Kooiman looks over Sandi's adding slip. It has to be the machine's error!

Drawing and Painting Make Art Fun

Art is a gift from God. Psalm 8:3 and 4 says "When I consider Thy heavens, the work of Thy fingers, the moon, and the stars, which Thou hast ordained, what is man, that Thou art mindful of him?" Through the sketching and painting of nature we can see how great God is.

Mr. De Jong finds art amusing!

Candy finds Mr. De Jong's advice helpful.

Dee and Lou find that patience is a necessary requirement for art.

Classes Accompany Exercising

For the first time this year, classes were held every Wednesday in the Activity Room. The parts of the body and the reasons why we should exercise were studied. Volleyball, soccer, basketball, tumbling, and jumping on the tramp were all included in the P.E. schedule.

The P.E. boys practice a new sport - archery.

Jumping on the tramp takes flexibility and NERVE!

It's easy to collide while tumbling-DIZZINESS MUCH!

Mr. Schelhaas dodges the hockey players.

SPORTS

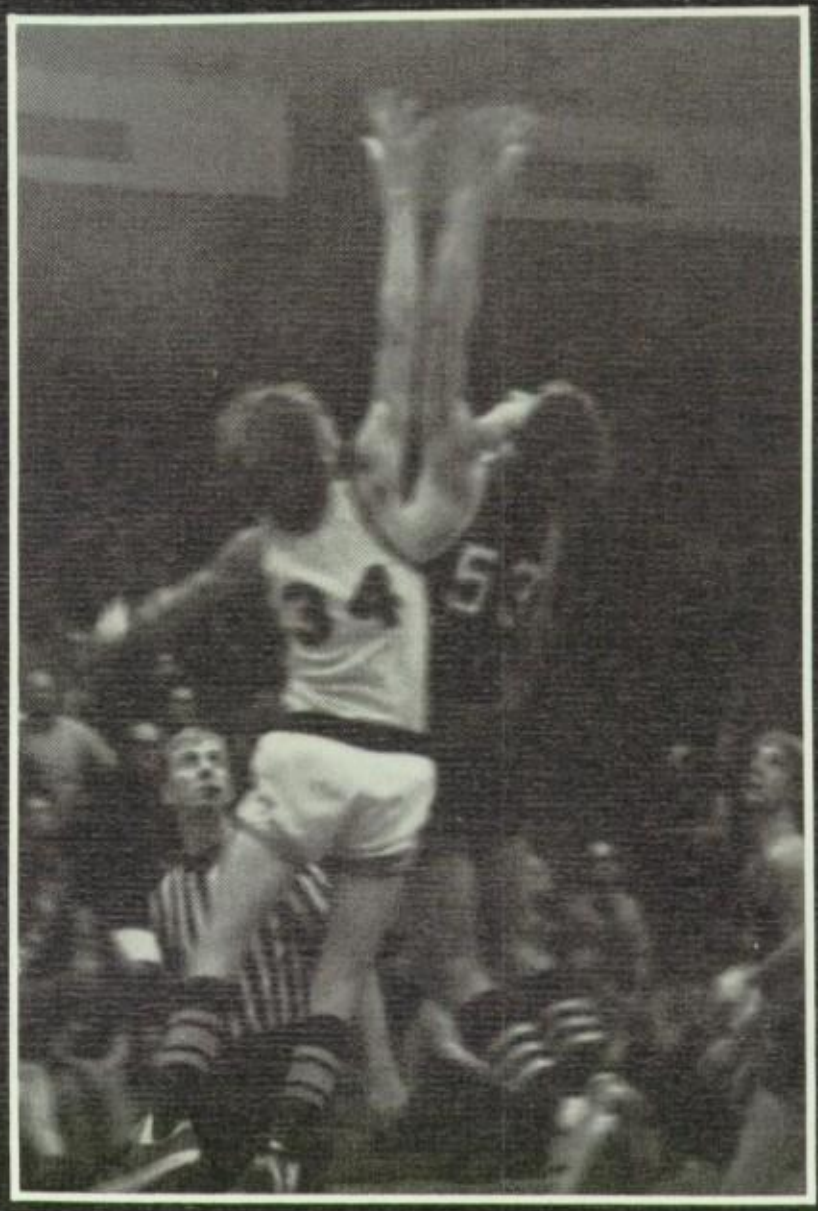
In both victory and defeat.



You're looking good big team, MIGHTY GOOD!

These six enthusiastic girls were No. 1 at the Cheerleader competition at Spencer. Over 55 cheerleading squads from N.W. Iowa participated. Their spirit and coordination was great! They cheered our guys to many victories.

The B-Team Cheerleaders did a great job this year because for all of them, it was the first year of cheering at Western. They worked hard to make many new cheers. Between the A and B-Team Cheerleaders, they took turns cheering at the girl's and boy's games when they were on the same night.

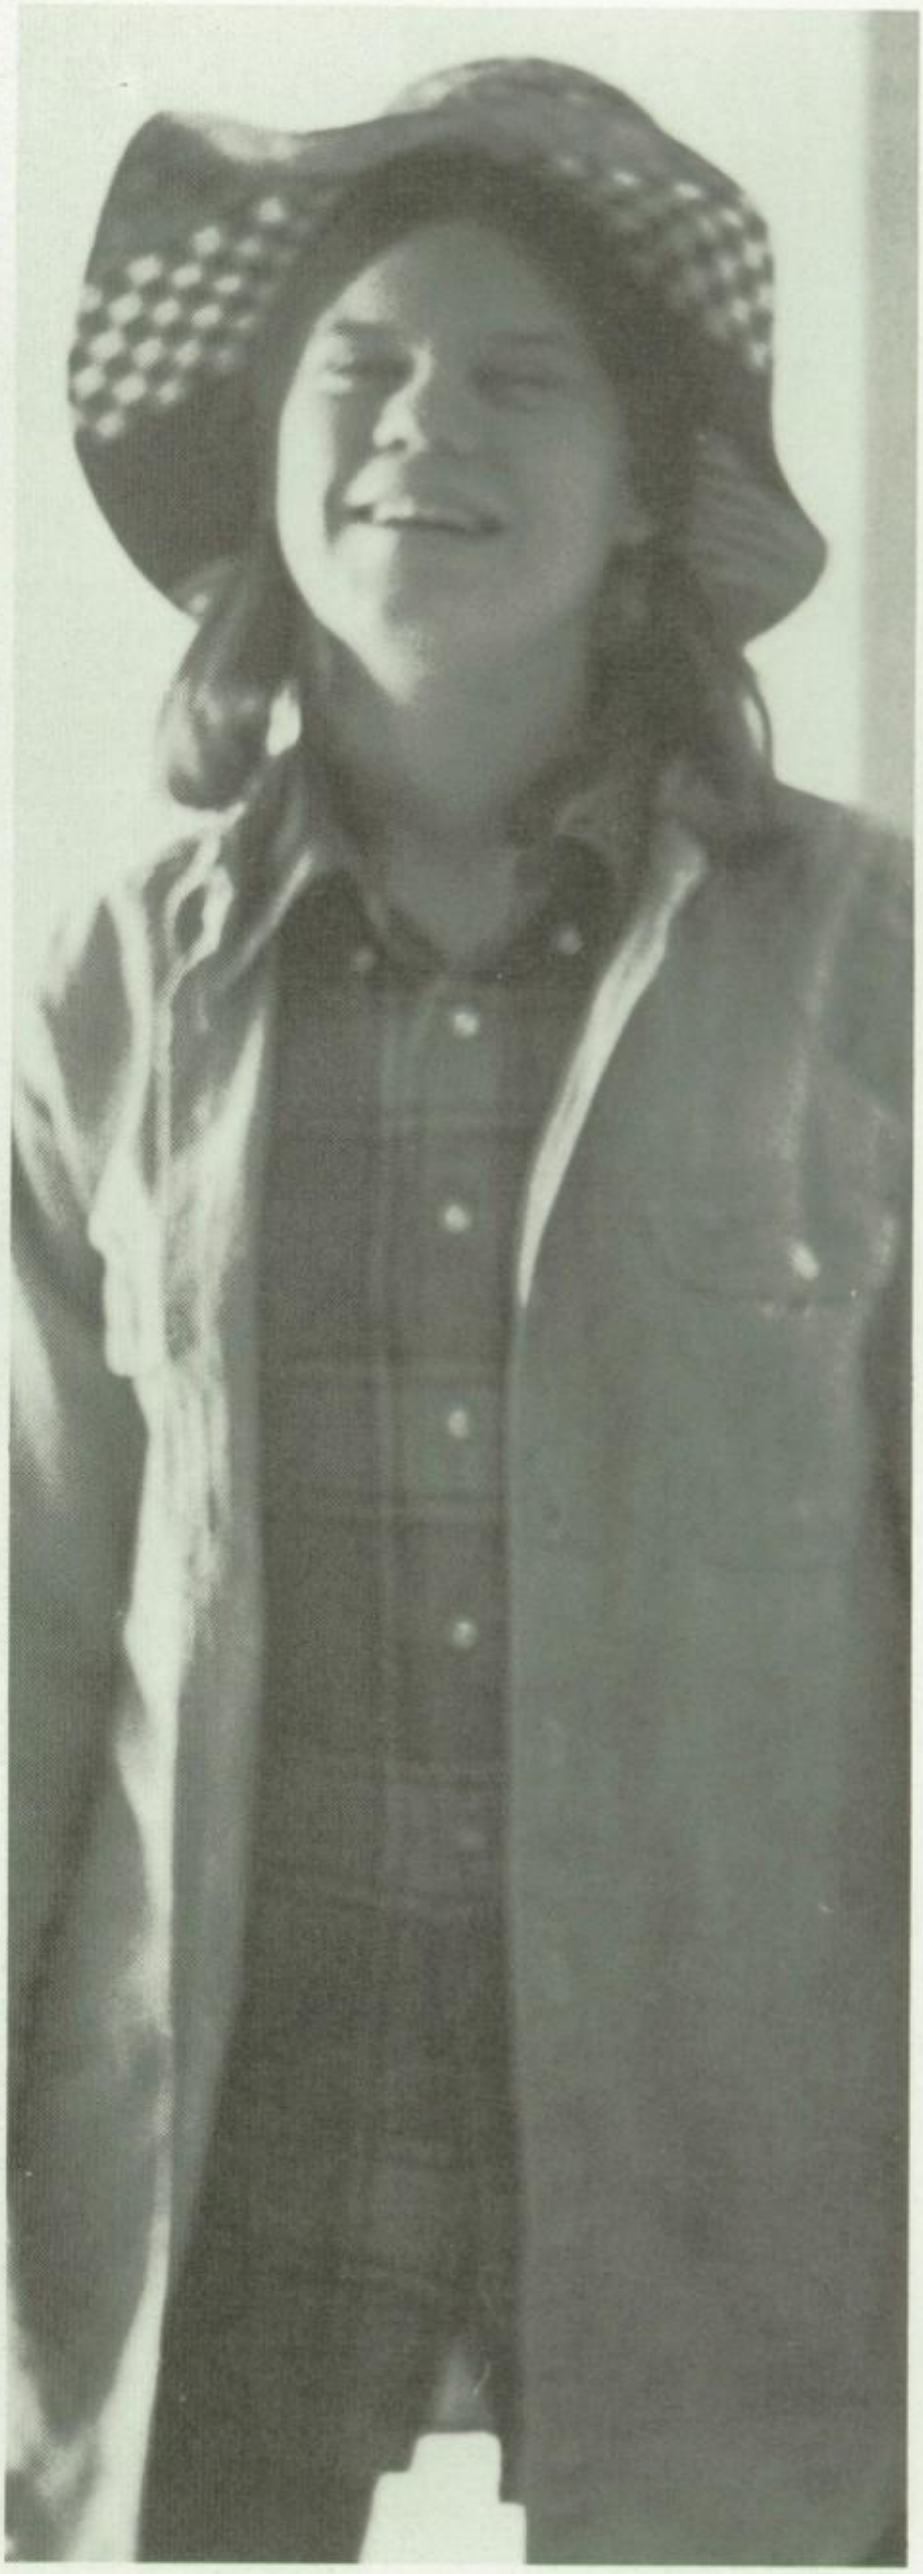
Together we seek to capture
Moments of awareness in our education
Another year is gone,
A year of achievements and progress.
Our experiences in the past
Have now become memories
Never to be forgotten.



JUNIORS

The year of 1972 brought many memories for us as "Jolly Juniors" ... biggest class in school ... second floor lockers ... being upperclassmen ... THE BANQUET ... Sr. Choir ... U.S. History ... goofing-off ... yelling for battle cry ... chosen for National Honor Society ... skipping school ... getting caught ... homework ... receiving one more year of instruction that brings us closer to our goal of Christian service.

SOPHOMORES

Class of '72

This year, our year old freshies returned as "Silly Sophs" with much more confidence ... renewing old friendships ... selling light bulbs ... getting a license ... being chosen as a waiter or waitress ... winning 1st prize billboard ... ordering class rings ... disecting frogs ... and most of all finding out about ourselves in the light of God's will.

FRESHMEN

Class of '75

This year, as many years in the past, Freshman once again settled into the routine of being classified as high school students ... "green freshies"... dropping books ... science addition lockers ... feeling small ... gaining confidence ... meeting new faces ... first romances ... selling candles ... Physical Science ... building friendships ... bringing popcorn ... Jr. Choir ... and most of all learning more about God and the goal to which we must keep climbing.

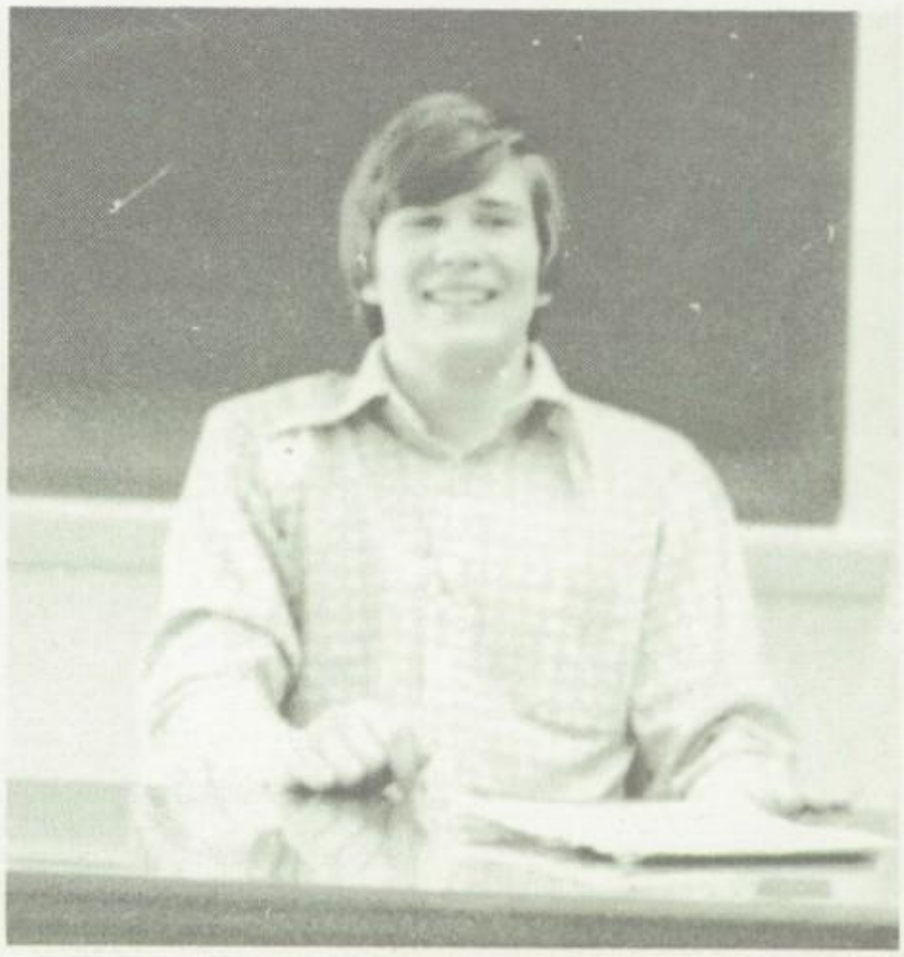
Student Council Gets a Lot Accomplished

Student Council kept very busy this year making school more fun and interesting. They planned a party for the Freshman to get acquainted and also planned exchange Chapels with surrounding Chr. High Schools. Their big jobs for the year were planning Homecoming and Religious Emphasis Week.

Dan B. helps Student Council with Freshman Party.



Doug Vande Griend, the Pres., makes every meeting fun and yet very worthwhile.

Expressions and gestures are part of storytelling.

Forensics involves a lot of work but with it comes good experiences. The purpose is to learn the value of speaking in different areas and you are rated on how well you have interpreted your speech. This year they had an invitational to the Cherokee School. In this invitational only three out of all the contestants in each category received medals. Our School took home two of these medals. In the district contest, 10 one ratings were received and in the state contest, Joan V. D. and Ruth H. received an outstanding achievement of one ratings.

Jackie smiles at her audience, (and the judge.)

Political Science

The Political Science Club is made up of students having a deep interest in politics, governmental affairs and international relations. For their annual field trip, the club spent a day in Des Moines at a UN conference. They also attended such events as a mock political convention. Debate

The Potting Shed

This is a suspense story which begins with the return of an unwanted son who is not allowed to see his dying father. He is estranged from every member of the family. Why? What had he ever done? The key is the event that happened in the potting shed at age 14. Beginning with the widow, proceeding to the church where his uncle is pastor and a Christman reunion, piece together the story.

"Sara, What's wrong with me?"

"Why the potting shed? Something awful happened there once!"

Poor James had to suffer. We did him a great wrong.

"Father, what kind of priest are you?"

"You appall me! I always thought you loved him."

"All right. You can sit there waiting for him to die."

"You were hanging there sir. You'd used a cord from the playroom. He cut you down."

Making a Record Was One of Senior Choir's Big Goals

Even though the Choir was smaller than usual this year, they worked hard to produce a record and put on a Concert with Boyden-Hull's Choir. They also sang at Dordt's Fine Arts Festival. It was a big honor for them to be selected as the experimental choir for the N.W. Iowa Choral Assn. Singing at Graduation is always a sad last time for the Seniors. This kept them very busy besides singing at the usual school concerts.

The Choir's pianist, Jan V.O., did a great job accompaning some very hard songs.

It's Hard Adjusting After Summer's Fun

It's hard to sit quietly after summer vacation.

Kathy V. and Ed M. forgot about the bell.

The Senior guys take advantage of the big dinners again instead of the summer's dinner of Campbell Soup.

Some friendships last through the years.

Wanda R. admires Jolene H.'s new class ring.

Junior girls get all excited about receiving their class rings.

It takes patience for a hungry stomach to wait for food.

An hour and a half bus ride is the cause for these "sleeping Beauties."

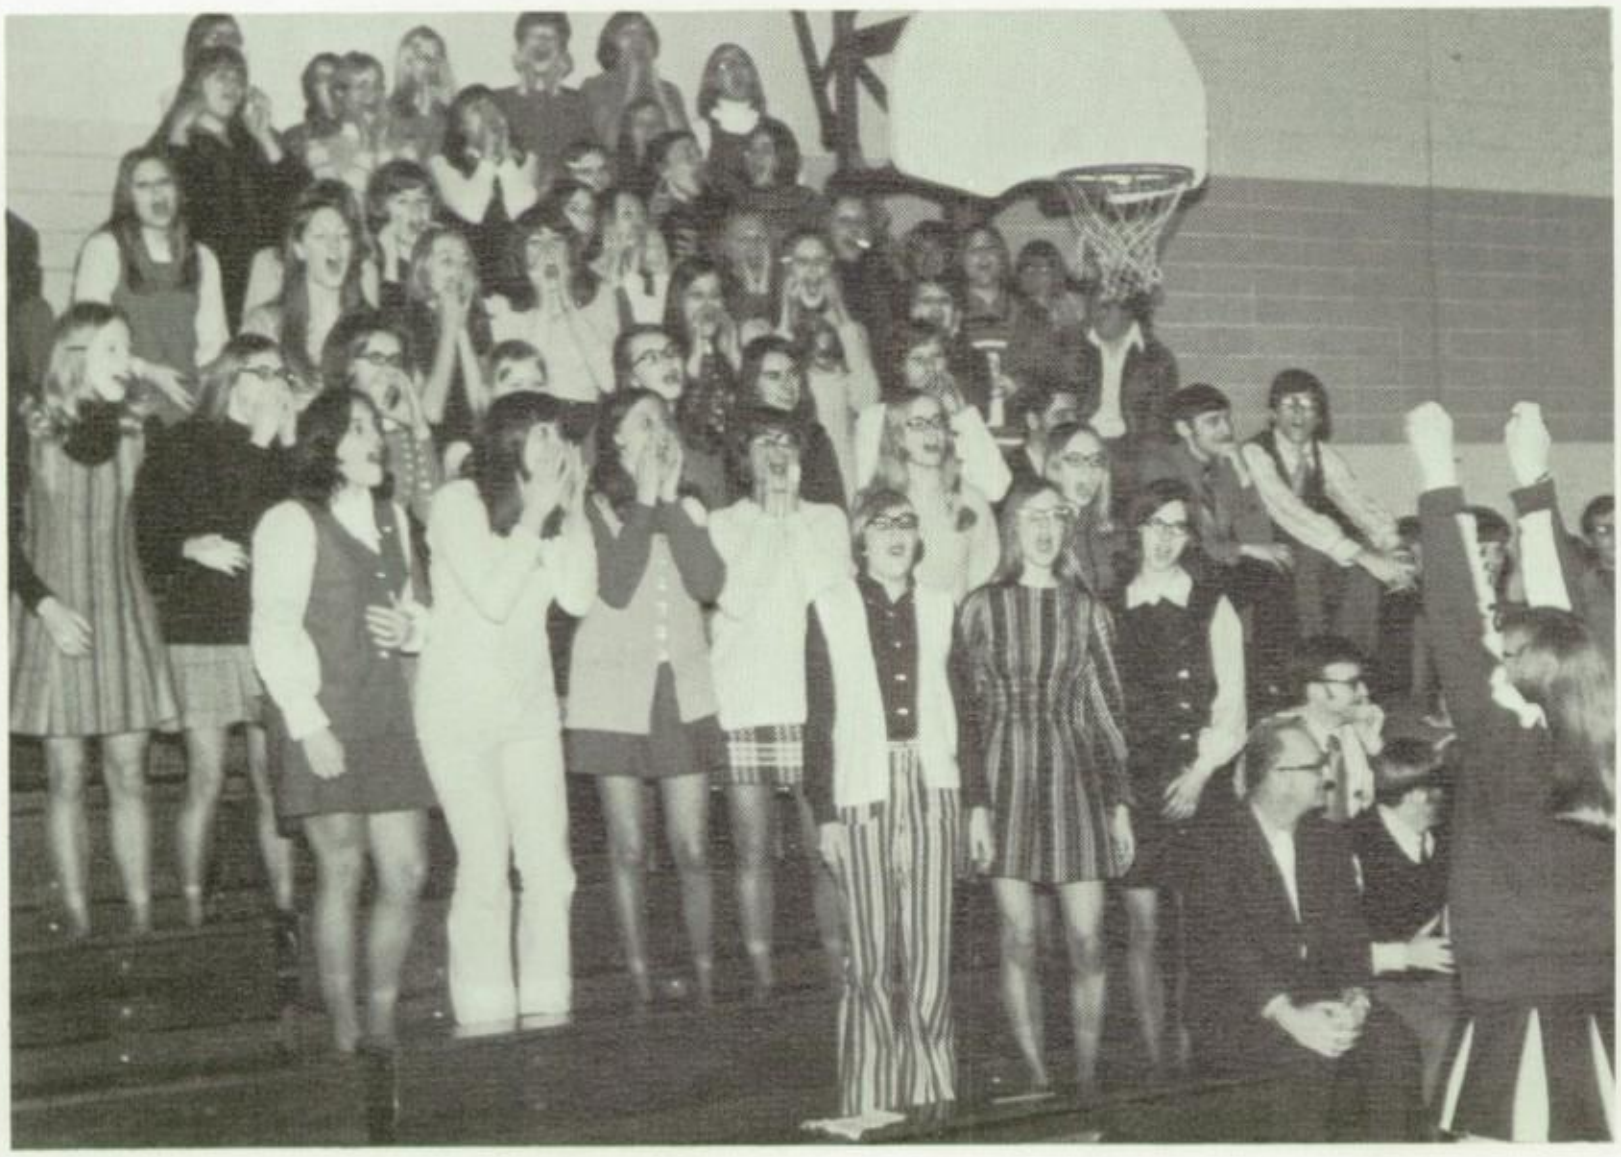
WINTER

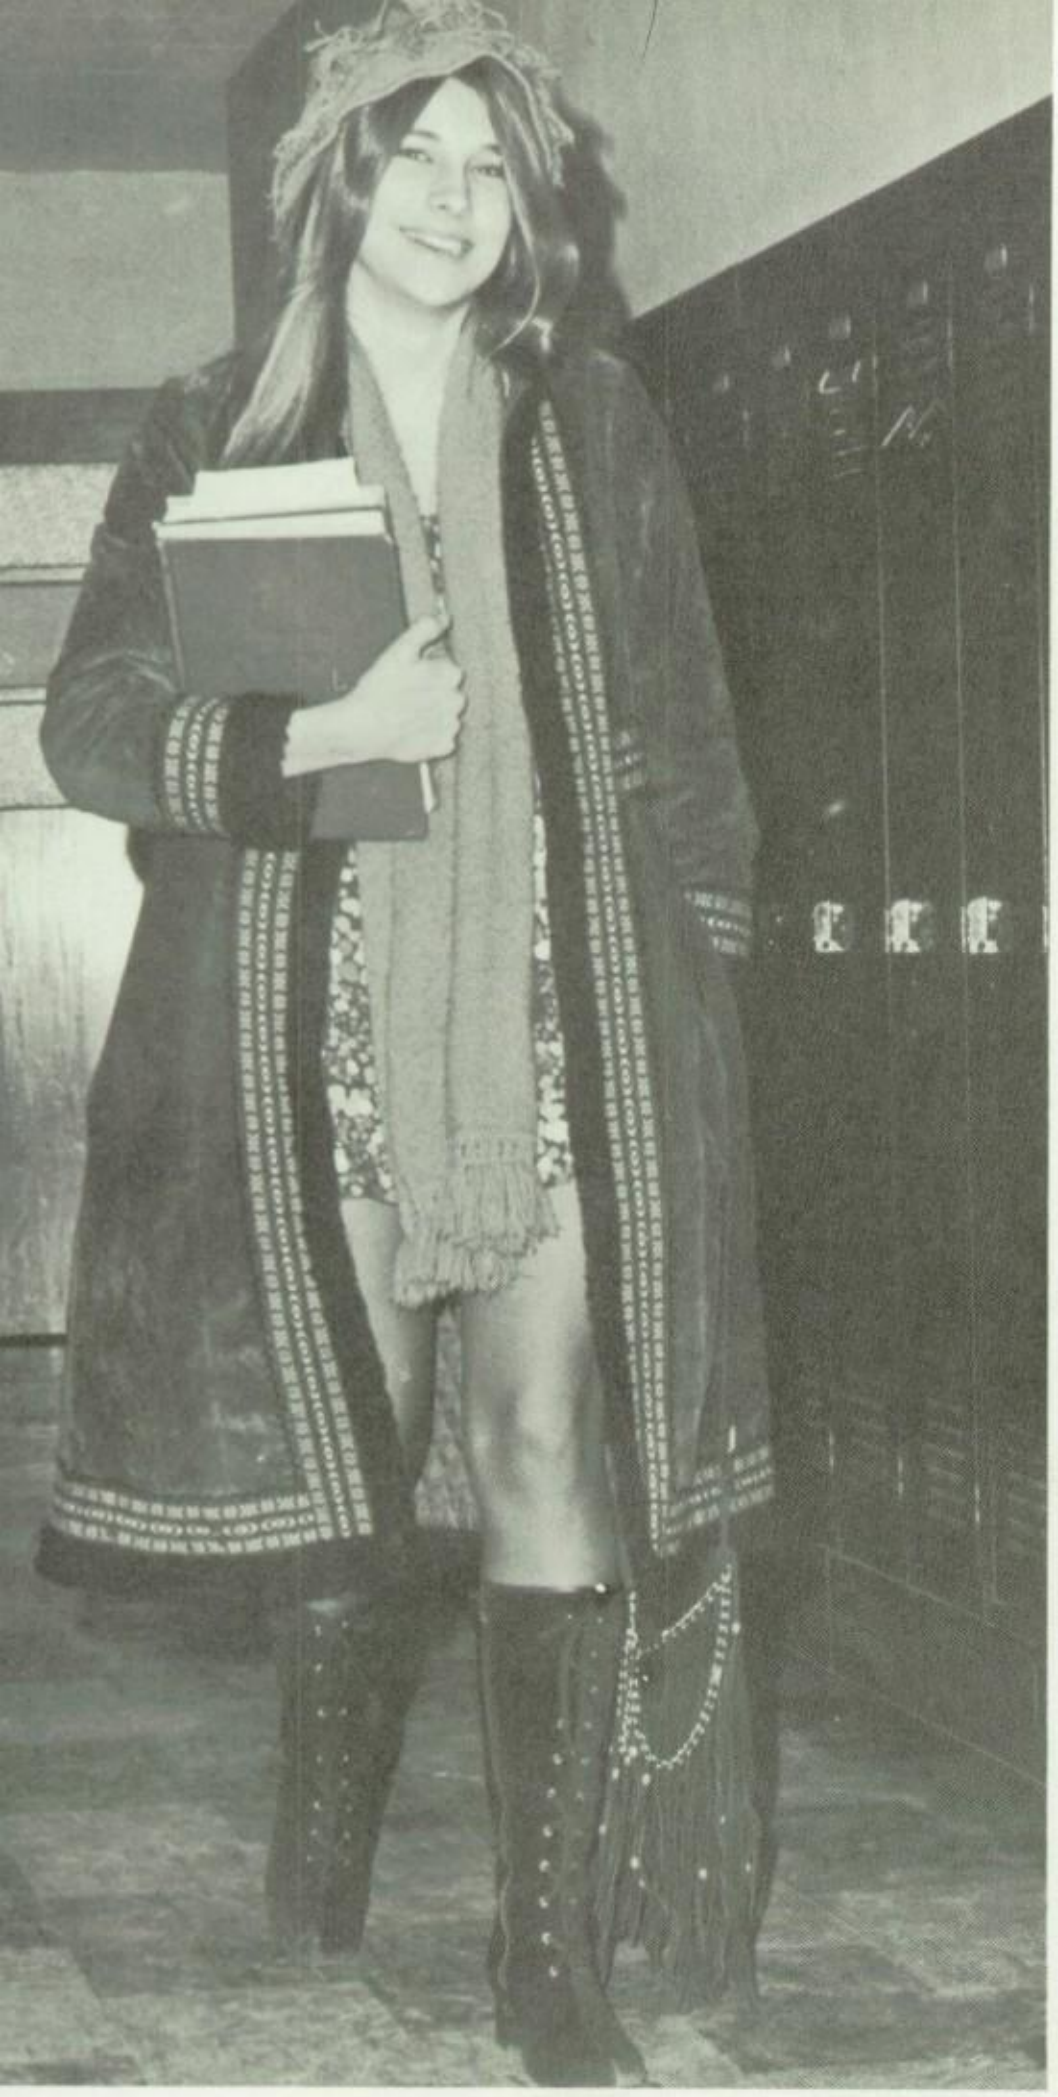
Pep Rallies Add Spirit to Winter Months

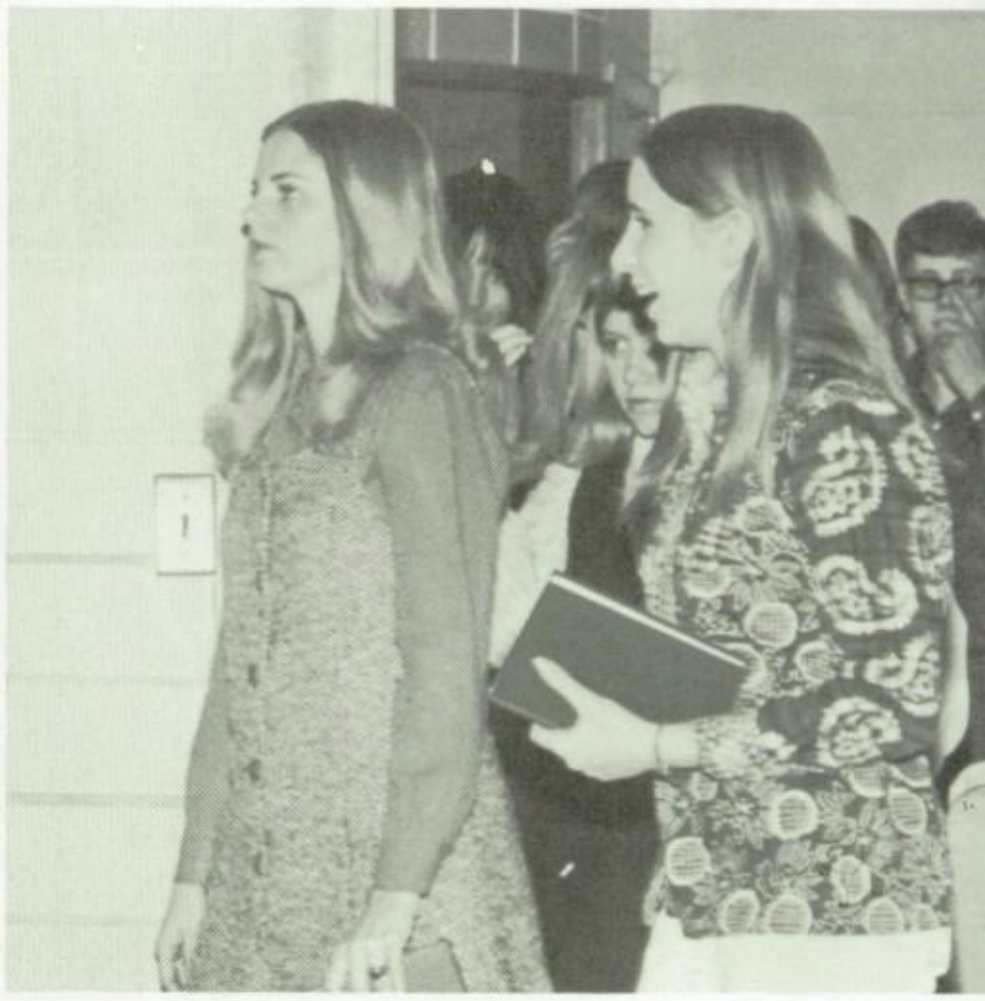
Blushing Altena gives the team facts.

Beth D. -Acting is her specialty!

Senior girls give it all they got.





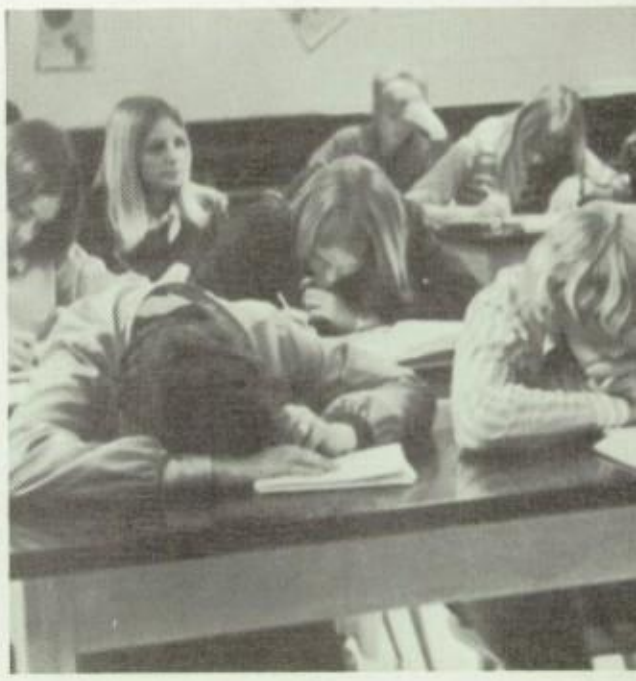


What you benefit from chapel depends on your attitude.

ABOVE: Dody models this years winter fashions. RIGHT: Decorating a tree is a part of Christmas spirit.

Students hurry to get a good seat on the bus.

Hurry, we want the back row in chapel.

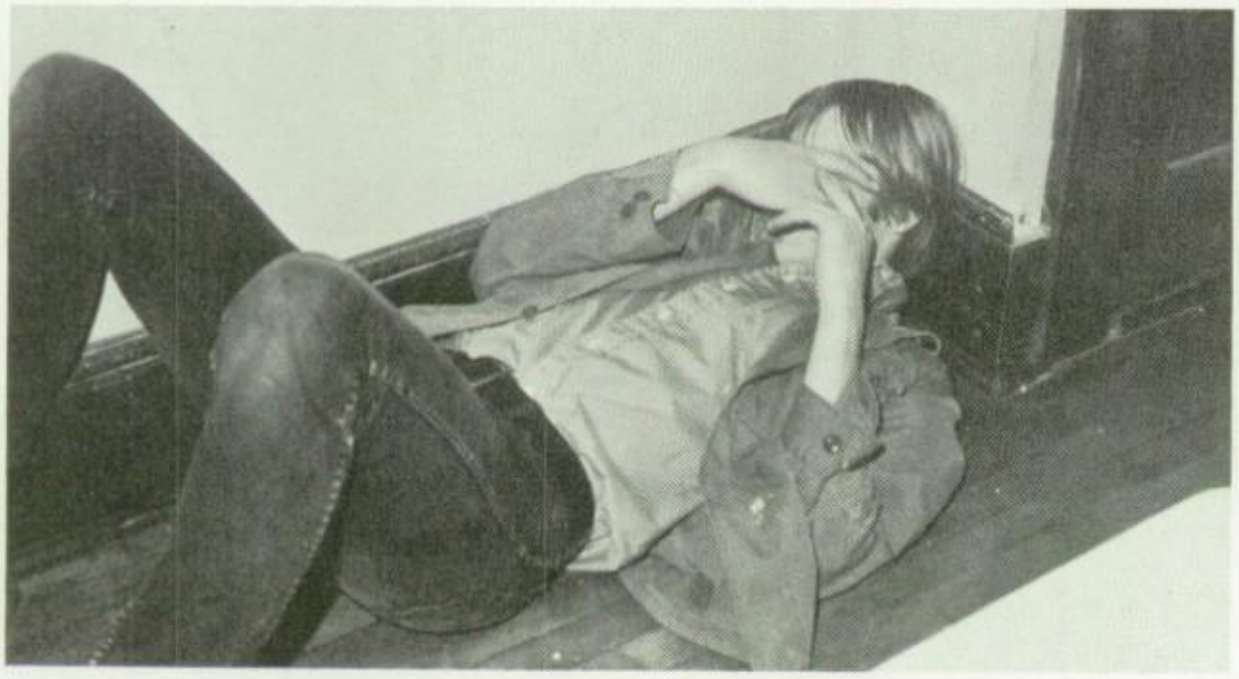


Only 10 more days 'til Christmas vacation, don't give up!

A Week of

Bill's glad he can show off his legs.

Clash Day - And then came Alan.



Guys can relax while girls carry their books.

"Picky" does her share.

Gene grooves as Joe Cool

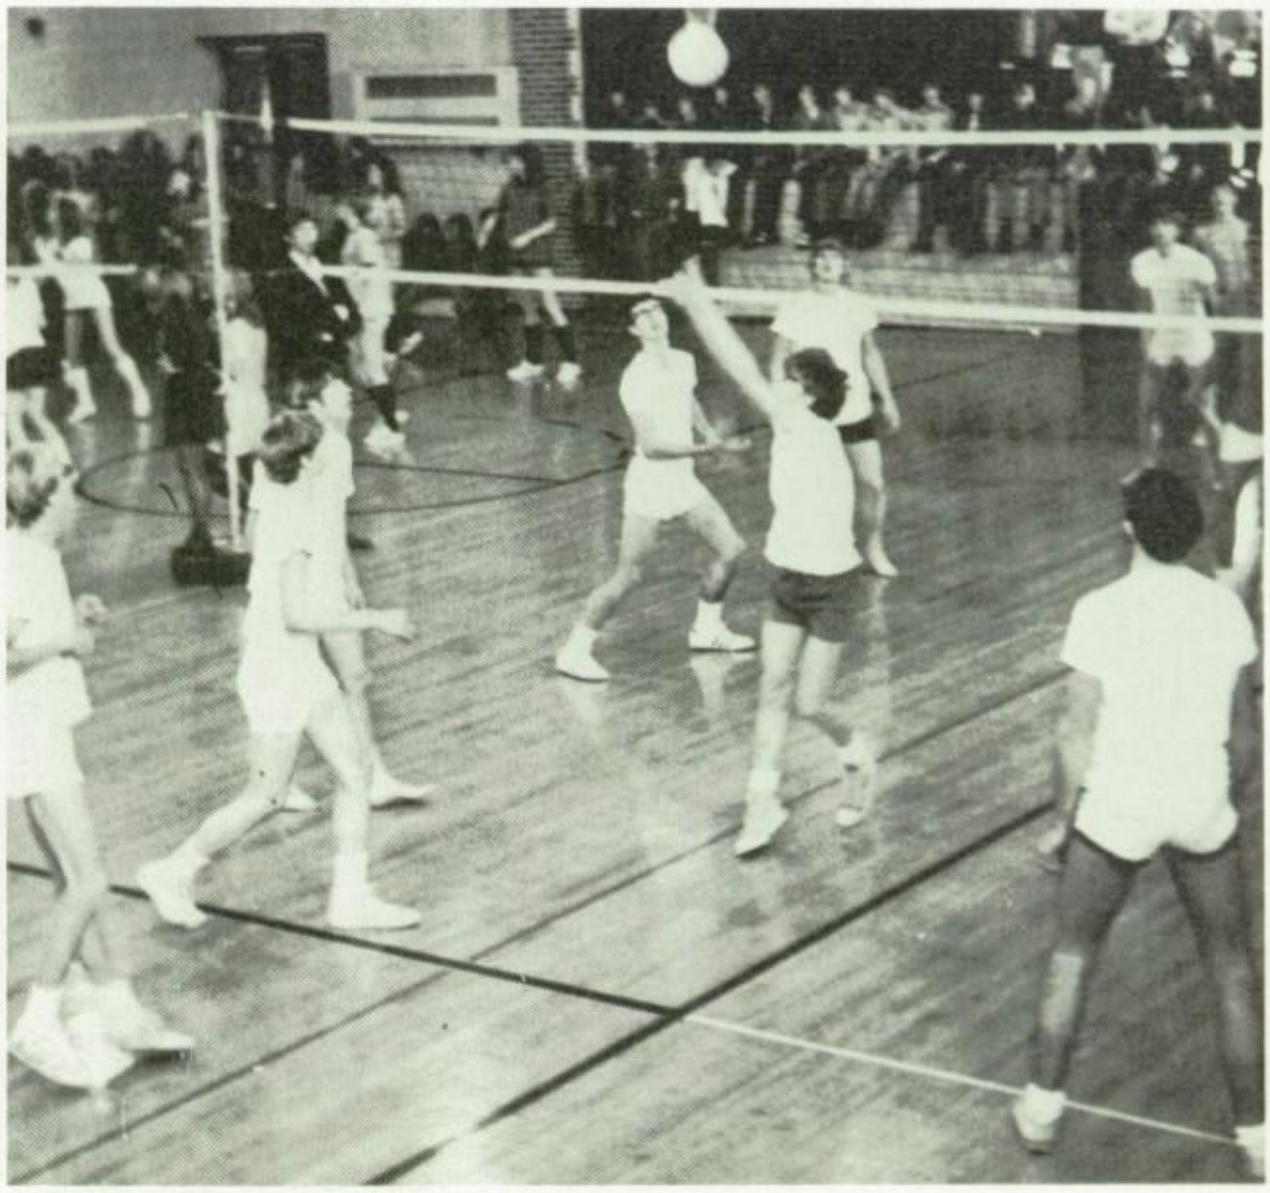
Craziness

Judy worked up nerve to twirp Barry.

Kay asks, "This many books to ONE class?"

Berets, stripes, plaids, flowers, pigtails and braids, all go together on clash day.

Every class worked hard to gain points in Intramurals to win trophies.



Many of the Activity periods are filled with the excitement of Intramural Volleyball.

SPRING

Religious Emphasis Week

One week was set aside for special chapels and discussion groups. It was the first time for the Folk Hymnal to be sung from in Chapel. On Mon., the topic discussed was the "Jesus Movement." On Tues., the Jr. Choir gave their "Tell It Like It Is" Concert. Wed., Rev. Hulst began the morning Chapel with a speech on "Sex" and Thurs., Rev. De Groot talked on "Demons." The week ended with special singing groups and skits on Friday afternoon. The students were faced with making decisions on how they feel Christians should react to these problems we must face in this world today.

Rev. De Groot spoke on the topic of demonology.

Buzz sessions proved to be VERY interesting!

RIGHT: Miss Cole, from Florence Crittenton Home led the afternoon buzz sessions.

Last year's graduating class gave a religious skit.

LEFT, Mr. Bird led the singing; an important part of Religious Emphasis Week. RIGHT; In the skit on Friday afternoon, Jan Van Otterloo played the part of a persecuted Christian.

Freshmen girls take advantage of the warm, spring weather.

Girls dressed in pretty formals and a decorated tym were the highlights of the Spring Concert.

"We have to order our class rings, but what size should I get?"

Speech class presents "The Lone Ranger and Tonto"

Gayla V. just can't decide which ring she wants.

Students Honored at Awards Day Program

Mr. Altena gives Cross Country award to Gerald V.B.

Parents of students receiving awards were invited.

This year, 2 band awards were given.

Everybody Gets Involved in Intramurals

Mary D.J. joins an Intramural team to gain points for her class.

Intramural greatly improved this year! Mr. Hospers did a lot of work to schedule the different sports and to get kids involved. There was a big competition for points between classes. Different activities were soccer, volleyball, football, basketball, softball, archery, and track. The Juniors received the trophy for making the most points for the Upperclassmen and the Sophomores got the trophy for the Underclassmen.

SEN-
IORS

For us, as Seniors
all of our yesterdays have become memories
to recollect and laugh about tomorrow.
Within our minds
we possess the golden moments of the past.
They are ours alone to recall in future years.

Seniors-Class of '72

CLASS MOTTO:

Lord Make Me an Instrument of Thy Peace

CLASS FLOWER:

Mum

CLASS COLORS:

Turquoise and Silver Mist

The seniors will never forget
these four years of
enthusiasm and frustration
achievement and failure.
As students we have succeeded
in passing all the required courses
in gaining a better understanding of
God's world around us.
As a class we have worked and had fun together
creating a beautiful Jr.-Sr. Banquet
having a great Skip Day in Minneapolis.
And as individuals we have discovered ourselves
in relation to other people
in relation to God.
We have made friends
who we could laugh with
who we could cry with.
But now we are looking forward:
eager to move on with God's help,
each following the path best suited
to him as an individual
filled with hope for the future.

Karen don't like what is pointing at her!

Bruce tries to cover his face, but misses!!!

Bonnie P. finds her work quite amusing.

Tim Kamstra-a second Johnny Cash.

What's so interesting, Deb?

What's the matter, girls? Don't you trust us?

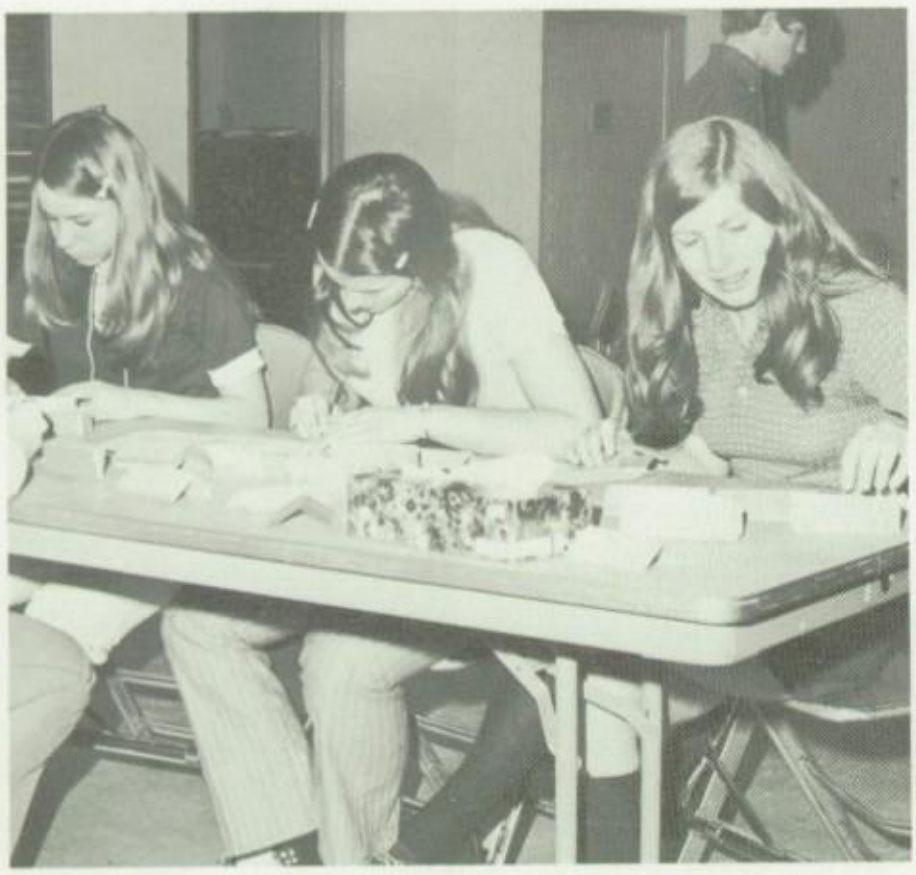
When You Look Back . . .

Do You Experience Regret or Satisfaction?

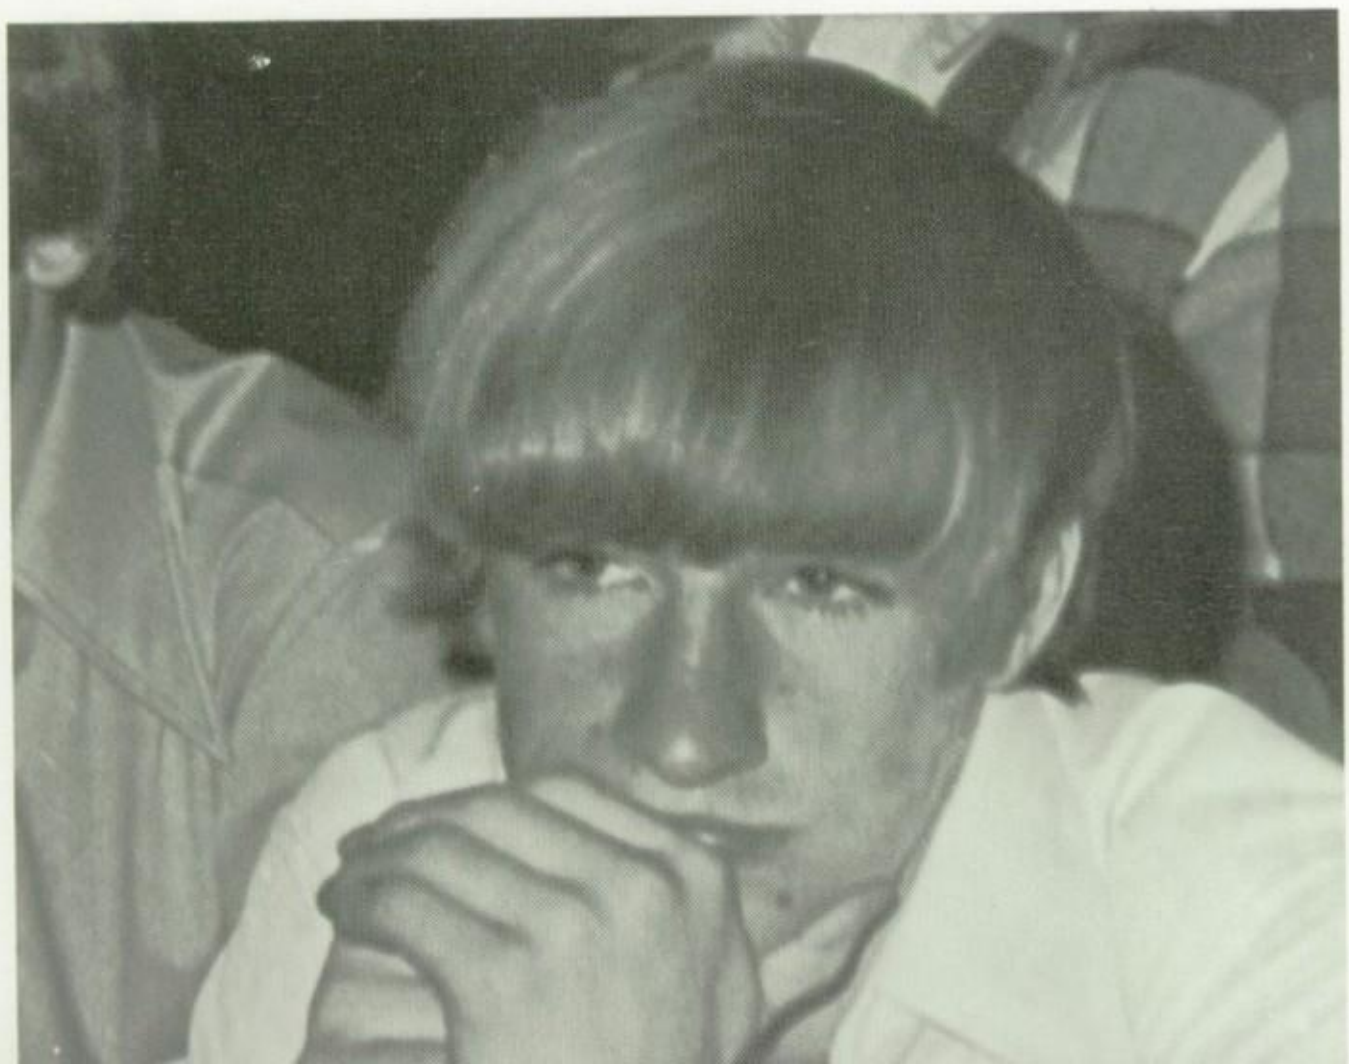
Perhaps a Mixture of the Two.



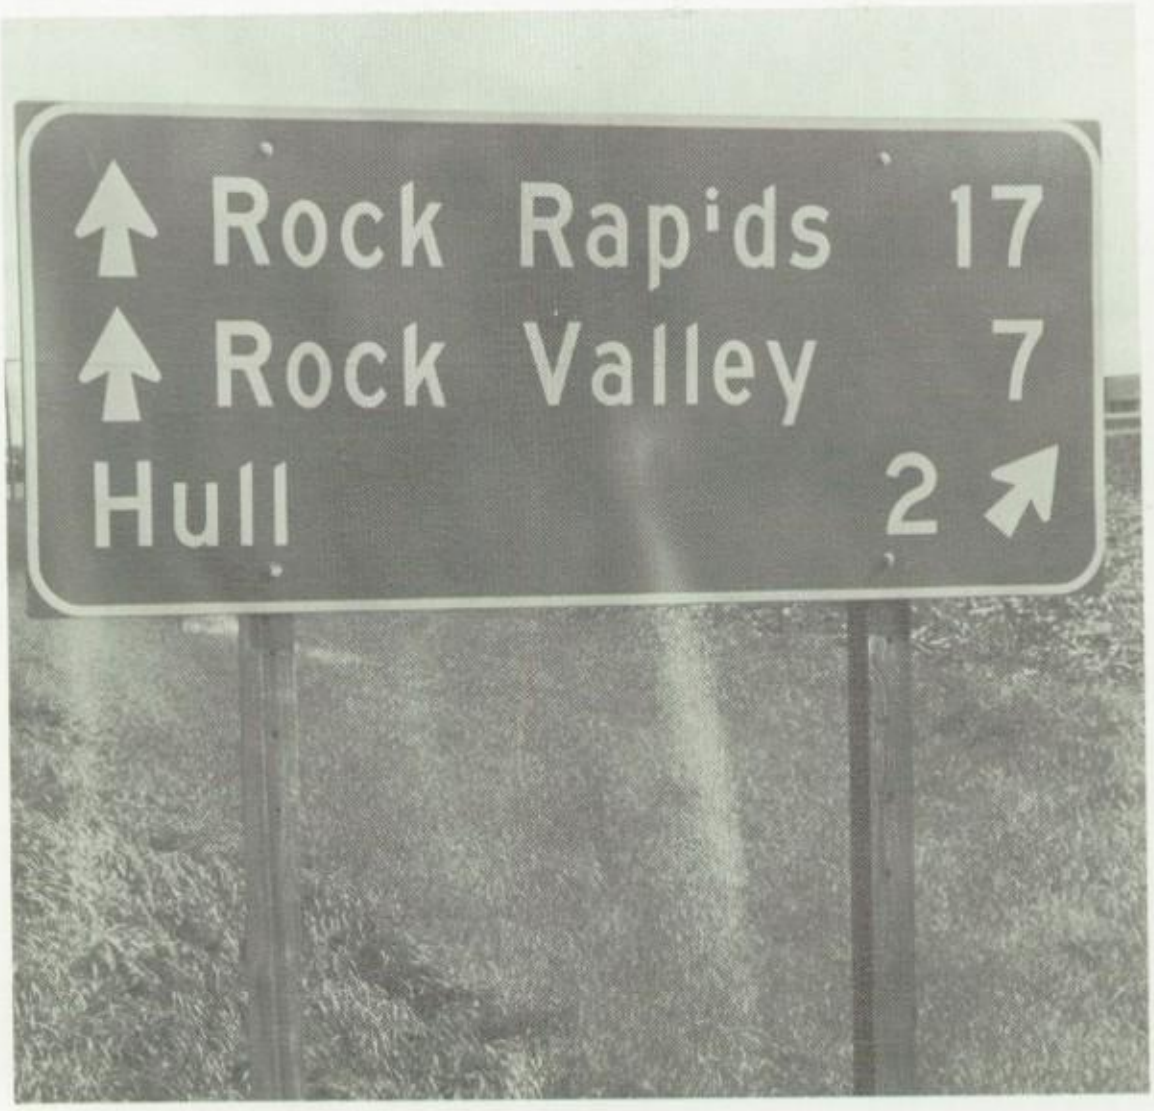
But Life Goes on . . .

and You Must Make a Decision

About What to Do With Your Life.



There Are Many Ways to Go . . .

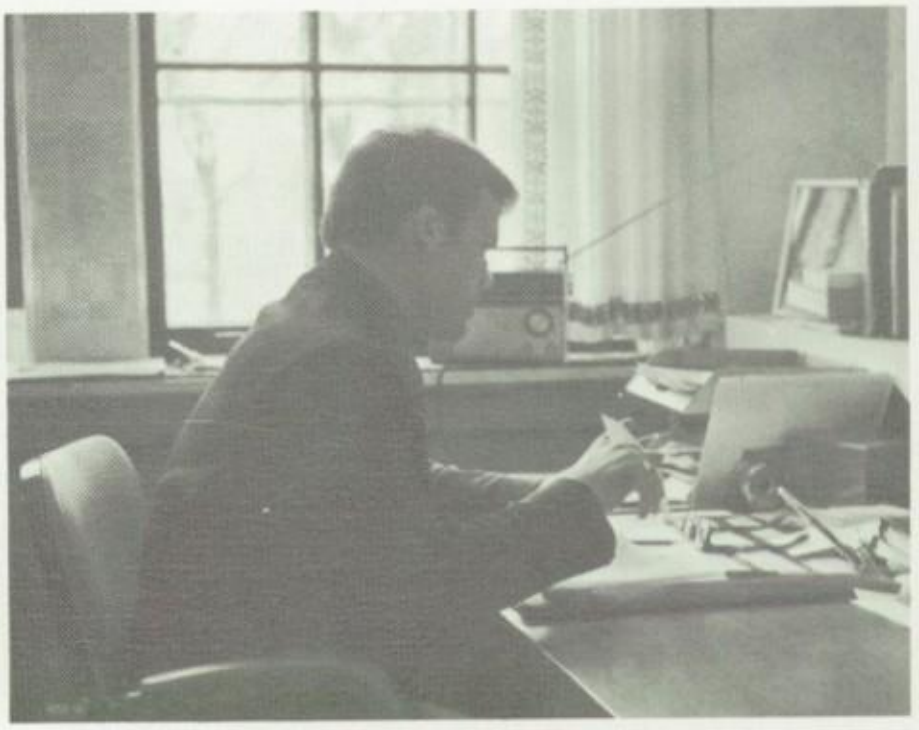


More Now Than Ever Before.

Yes, You Have Help From Your Parents,

Concerned Counselors, Ministers, Teachers, Friends . . .

and Advice From Everyone.



But the Final Decision . . .

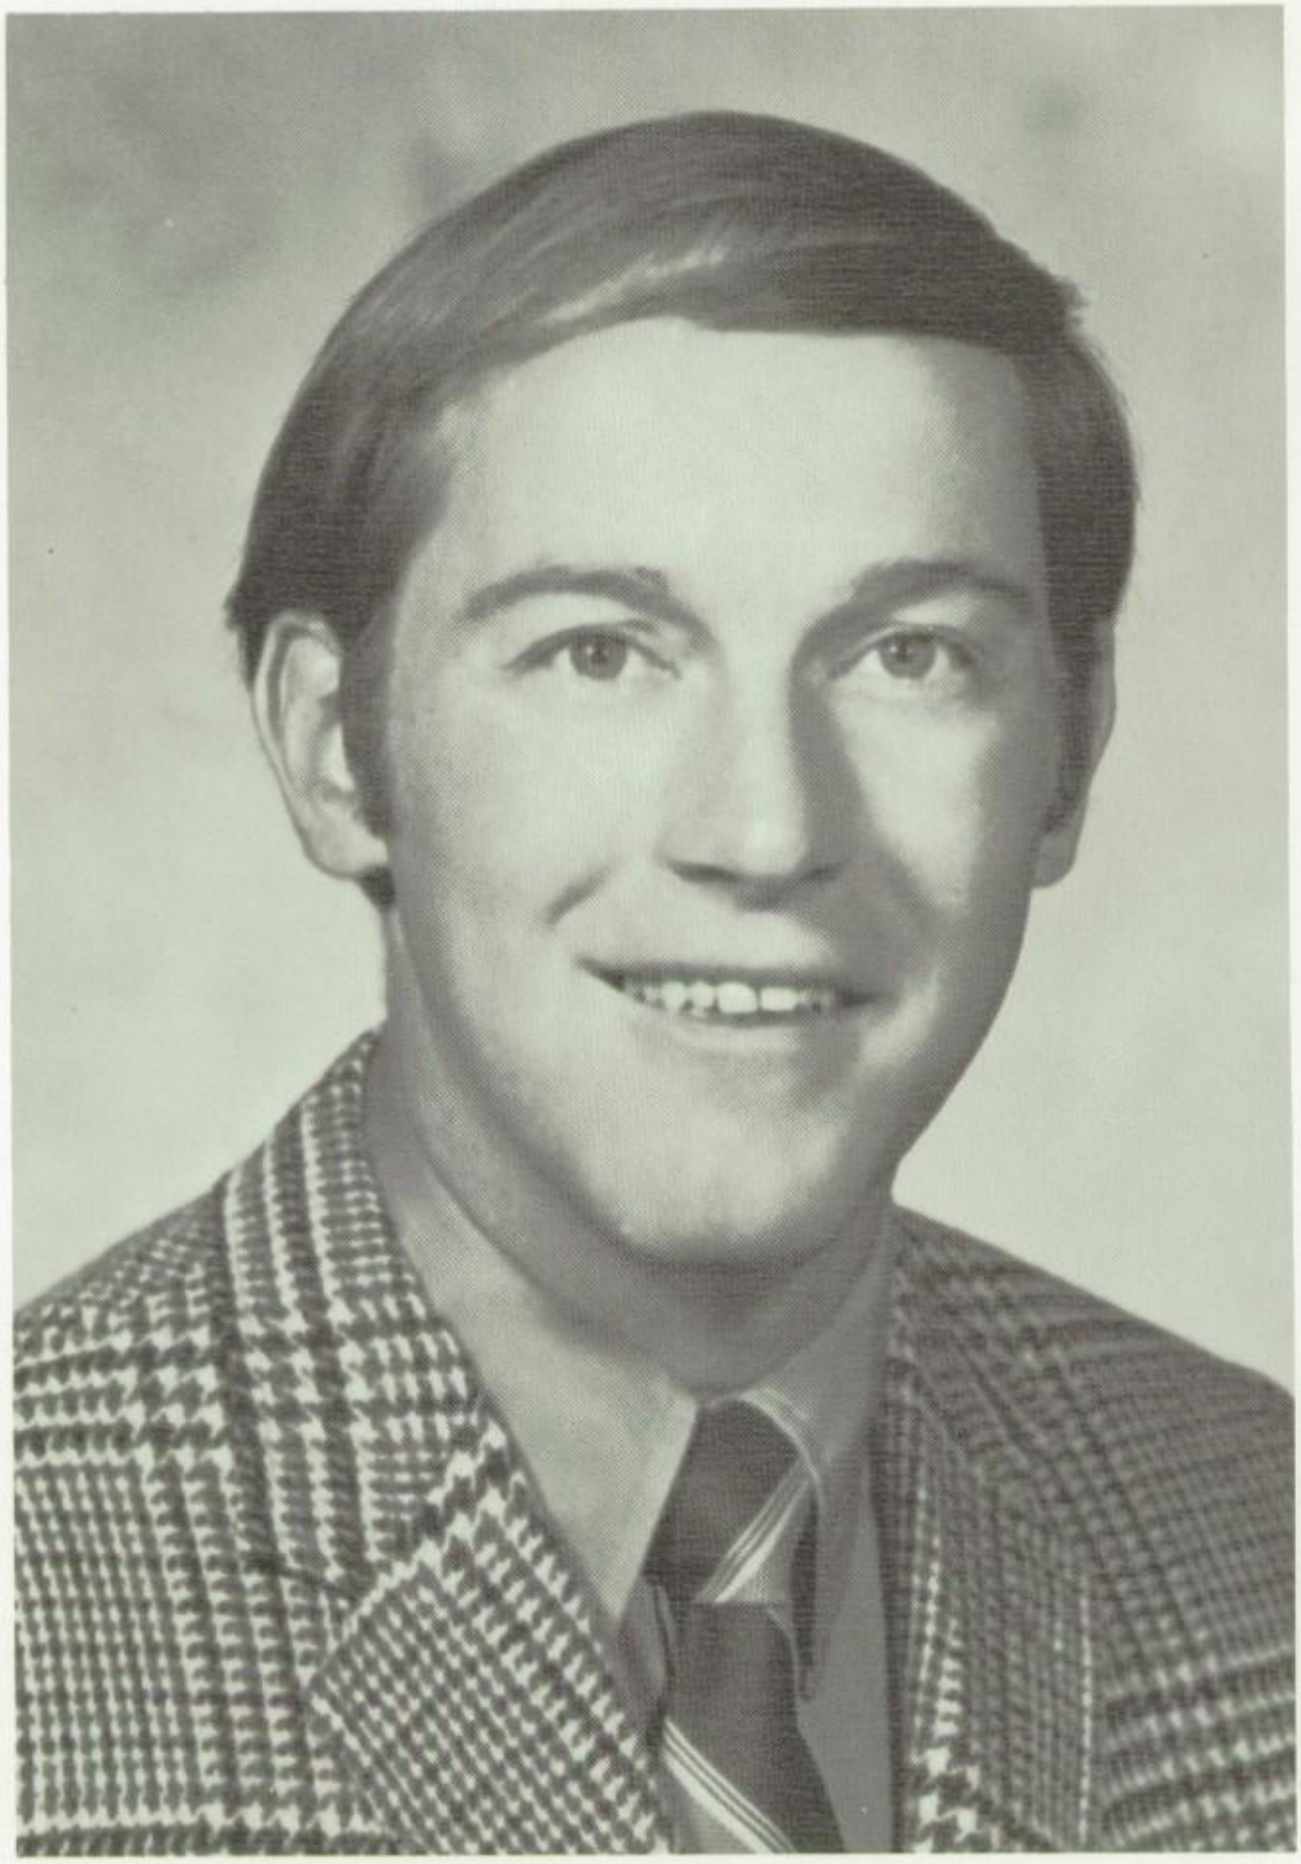
The Choice to Go This Way Or That Way

Is Yours . . . Alone.

Make Your Decision . . .

Then Move Out As If Your Life Depended on It.

DEDICATION



We dedicate this Yearbook to MR. DWIGHT BAKKER. We appreciate all the cooperation he has shown in making this book possible. His kindness, encouragement, and Christian character, along with all of the other teachers' and principals' Christian deeds, shined through to the students here at Western, May God bless and reward them for all of their thoughtful words and acts done for us.
